Hello readers, welcome to my story. It's a randi's life story, that's why you have to pay for it! Don't worry, sex is guaranteed!

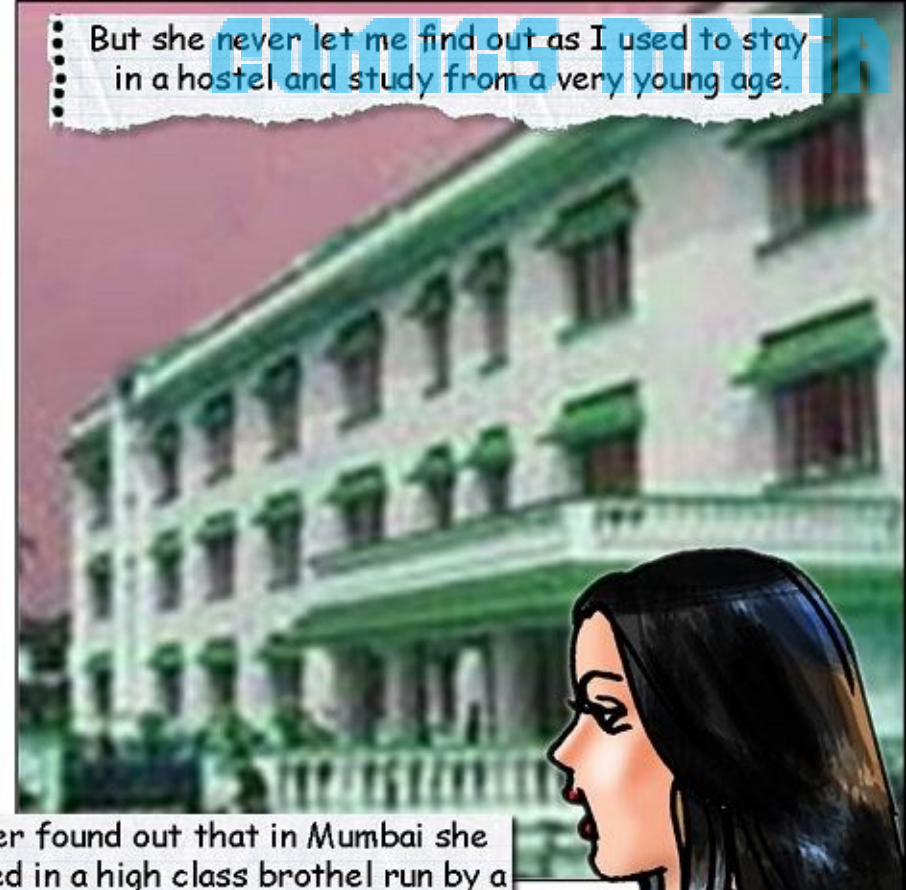

I was born Kamini, but after I became a well known prostitute, everyone called me Kammobai.

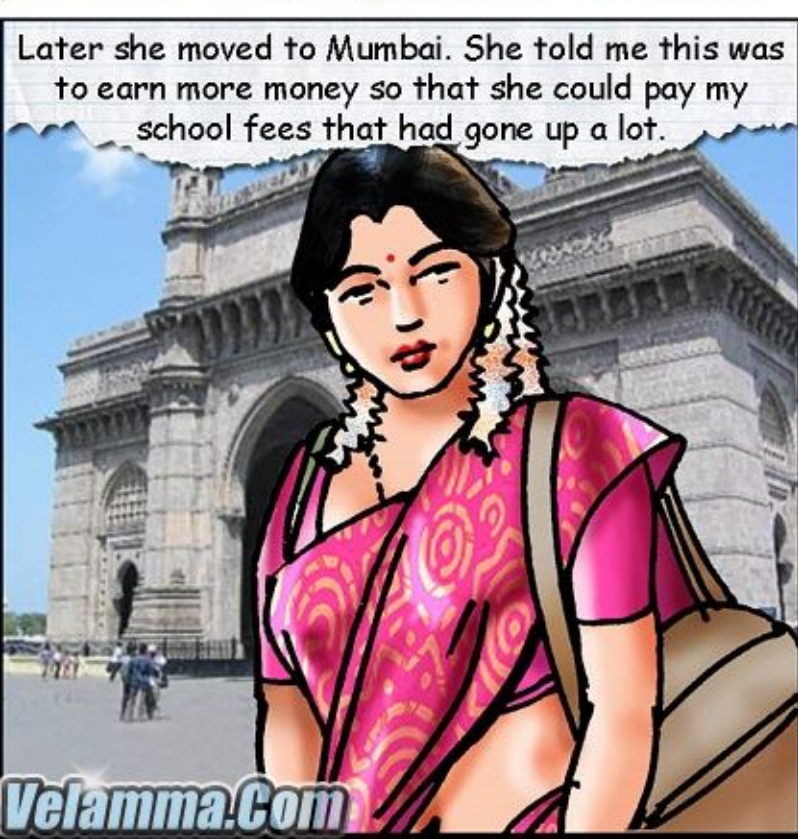

My mother was a prostitute in Kolkata's Sonagachhi...

But she never let me find out as I used to stay in a hostel and study from a very young age.

Later she moved to Mumbai. She told me this was to earn more money so that she could pay my school fees that had gone up a lot.

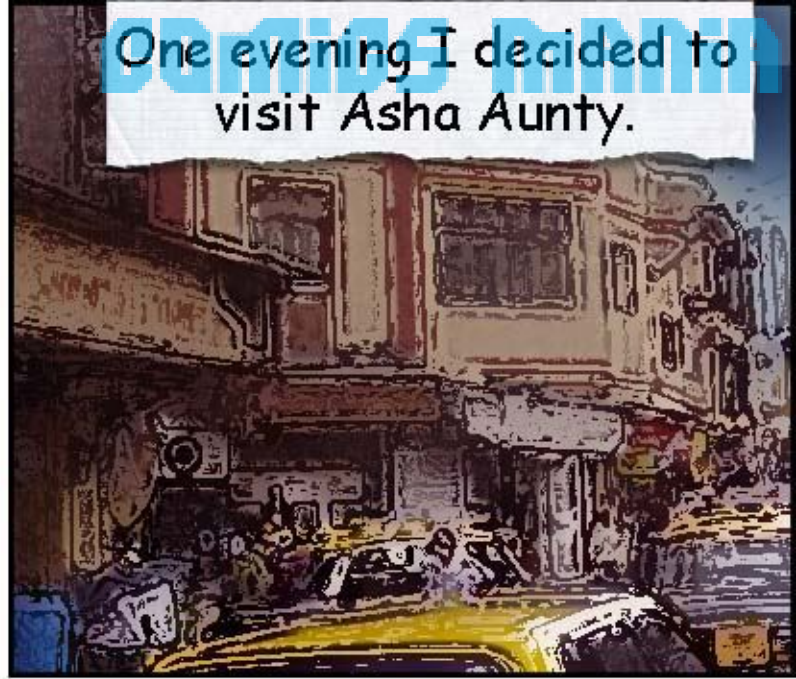

I later found out that in Mumbai she worked in a high class brothel run by a sweet looking lady whom I used to call Asha Aunty. In fact everyone still calls her Asha Aunty.

My mom died suddenly when I was about to complete school. I still didn't know she was a whore. I discovered that only after I came home after finishing school, just after my 18th birthday.

But on my way in to her house what I saw from the window absolutely shocked me.

One evening I decided to visit Asha Aunty.

I couldn't believe I was seeing mom's younger friend Lata Didi being fucked by a tall man. And even more shocking, Asha Aunty was sitting and casually watching the two of them having sex.

So do you like her?

Yes Asha Aunty, thanks for giving me this sexy slut!

Aah-aah...

Take it you bitch

Yes! Yes! Fuck me!

I was a virgin at that time, and it was the first time in my life I was seeing such a scene. How could they use such filthy language?!

As my initial shock got over, it started turning me on. Really on!

MMPHH OOOH
YES! I'M CUMMING!
Yes, give me your cum!

They had their orgasms, but I could not do much because of my tight jeans and the place I was in.

But I was in for a much bigger surprise...

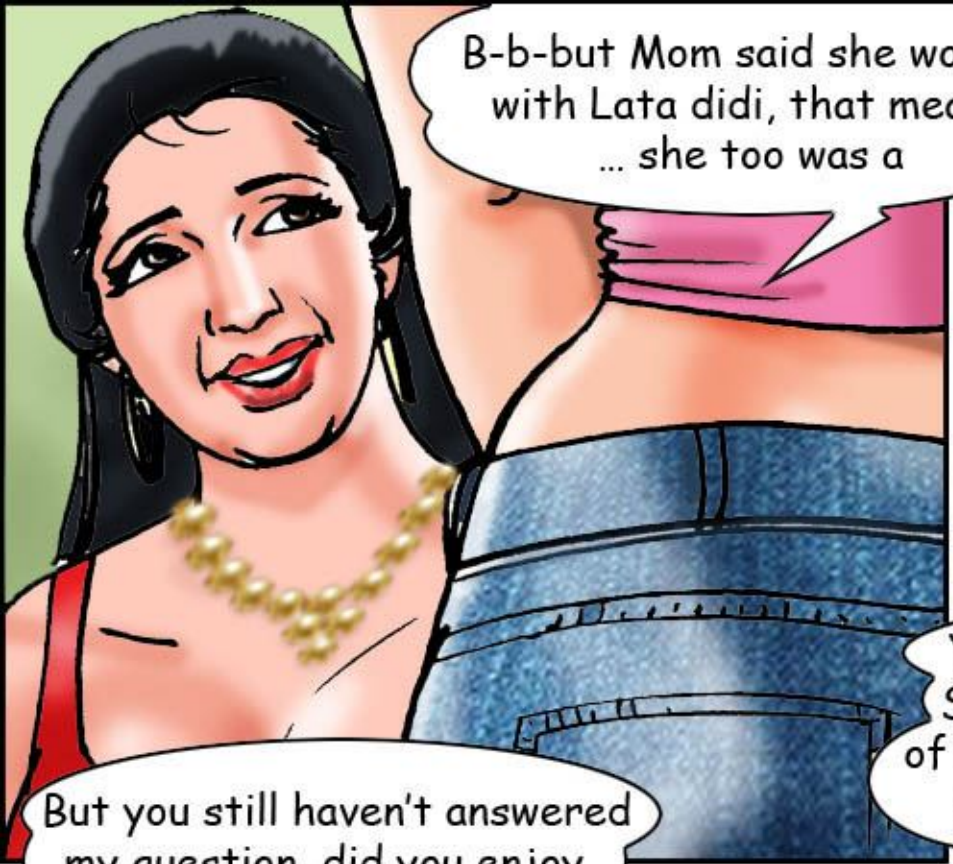

I guess that should be enough

Yes, that's just perfect. I'll see to it that Lata gets her extra tip

Lata didi was a randi! And this was a whorehouse!!

B-b-but Mom said she worked with Lata didi, that means ... she too was a

Yes, she was one of us too She enjoyed every moment of it. And that's how she paid for your costly education

But you still haven't answered my question, did you enjoy what you were seeing

What

Though I pretended to be shocked I have to admit I was turned on

I'm sure you liked what you saw. Here's an offer, will you take her place in this house? I guarantee you'll have a great time. And earn great money too

What??!!

Kamini dear, look at it this way. You are young and you need money and you want to enjoy life. Here's a way all your needs can be taken care of.

Was your mother bad? Am I bad? Is Lata didi bad?

But... a randi... isn't that bad?

Asha Aunty, I didn't mean that... I don't know... is it a good life?

Your mother had a good life with you. And you were watching Lata now, didn't she look like she was enjoying it?

Yes...

Kamini beti, don't you trust me? I promise I'll take full care of you. Just spend some time doing this so you can earn enough money to take care of your future.

You're right ma'am, Kamini is built like a perfect whore, she will be a superhit!

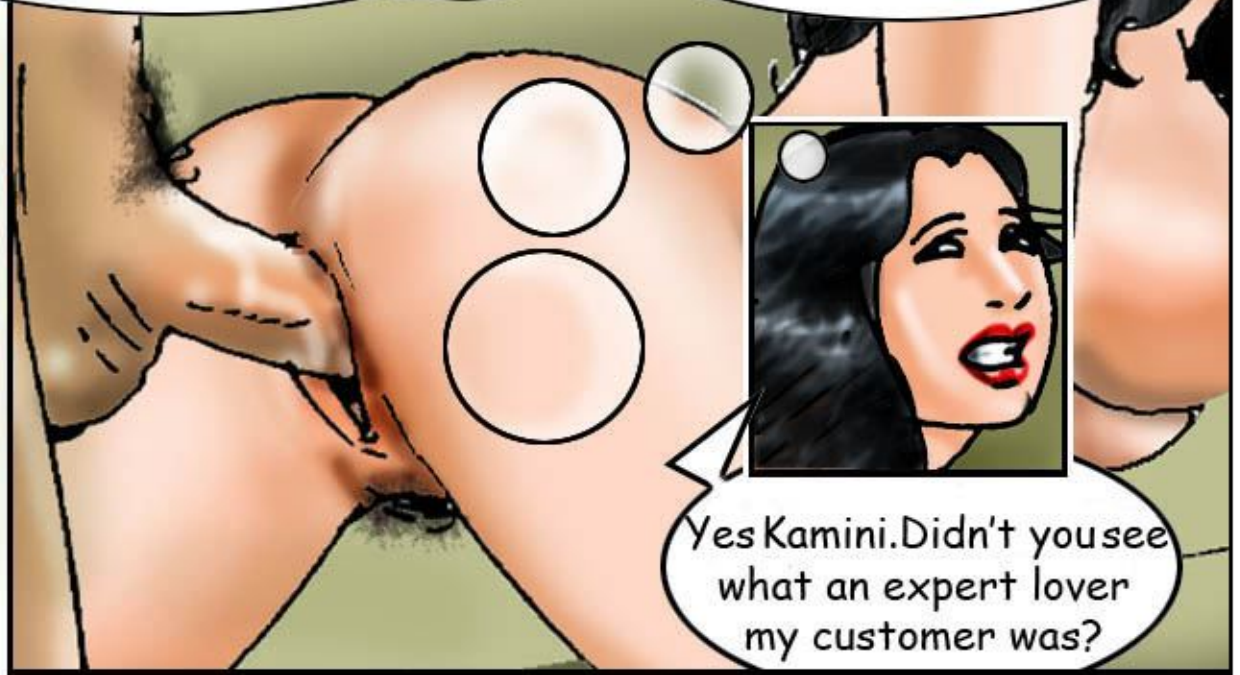

And with a sexy body like yours, you can earn lots of money in no time at all. Don't you think so Lata?

Is that a compliment or what? But doesn't a whore have to have sex with all kinds of weird guys?

Don't worry about that my dear. You will be introduced only to the best of my customers. They will be experts in providing you pleasure while getting their

Yes Kamini. Didn't you see what an expert lover my customer was?

Are you sure I won't get into any trouble?

No trouble at all sweetheart. As long as you keep lots of condoms handy!

Lata and I are always here for you. And, all your lovers will be handpicked by me. They will take full care of you.

Yes Kamini, you'll have a great time with us.

And that's a promise Asha Aunty never broke. Starting with the first customer who took my virginity.

The man who took my cherry was very handsome and quite well built, just like a filmstar, and quite young too. I still remember that night...

Your first time, Kamini. It's a very special occasion. You must look your best.

I am feeling scared Lata didi

Don't be scared dear. You are so good-looking and sexy, I'm sure both of you will have a great time in bed

And Mohan, the man Asha Aunty has chosen for you is sure to give you lots of pleasure.

But won't it hurt?

No baby, just a little bit, and you'll soon get over it. Then it's just pleasure, pleasure and pleasure.

Are you sure Lata didi? I mean...

Stop worrying and start dreaming about the wonderful things that are going to happen to you. Now finish dressing...

Wow! You look like a dream!
Mohan is in for a real treat!

Hello Mohan!
How are you

I'm too excited
about the gift you
have in store for me

But you know
it's not a
free gift!

Of course. As this is
a special occasion -
I have already given
one lakh to your agent.
I want to be the first
lover of this virgin
beauty for two nights
in succession

Ok Mohan, I'm sure you
won't be disappointed.

Here she is! Mohan this is our dear Kamini.
You have to introduce her into
the wonderful world of sex

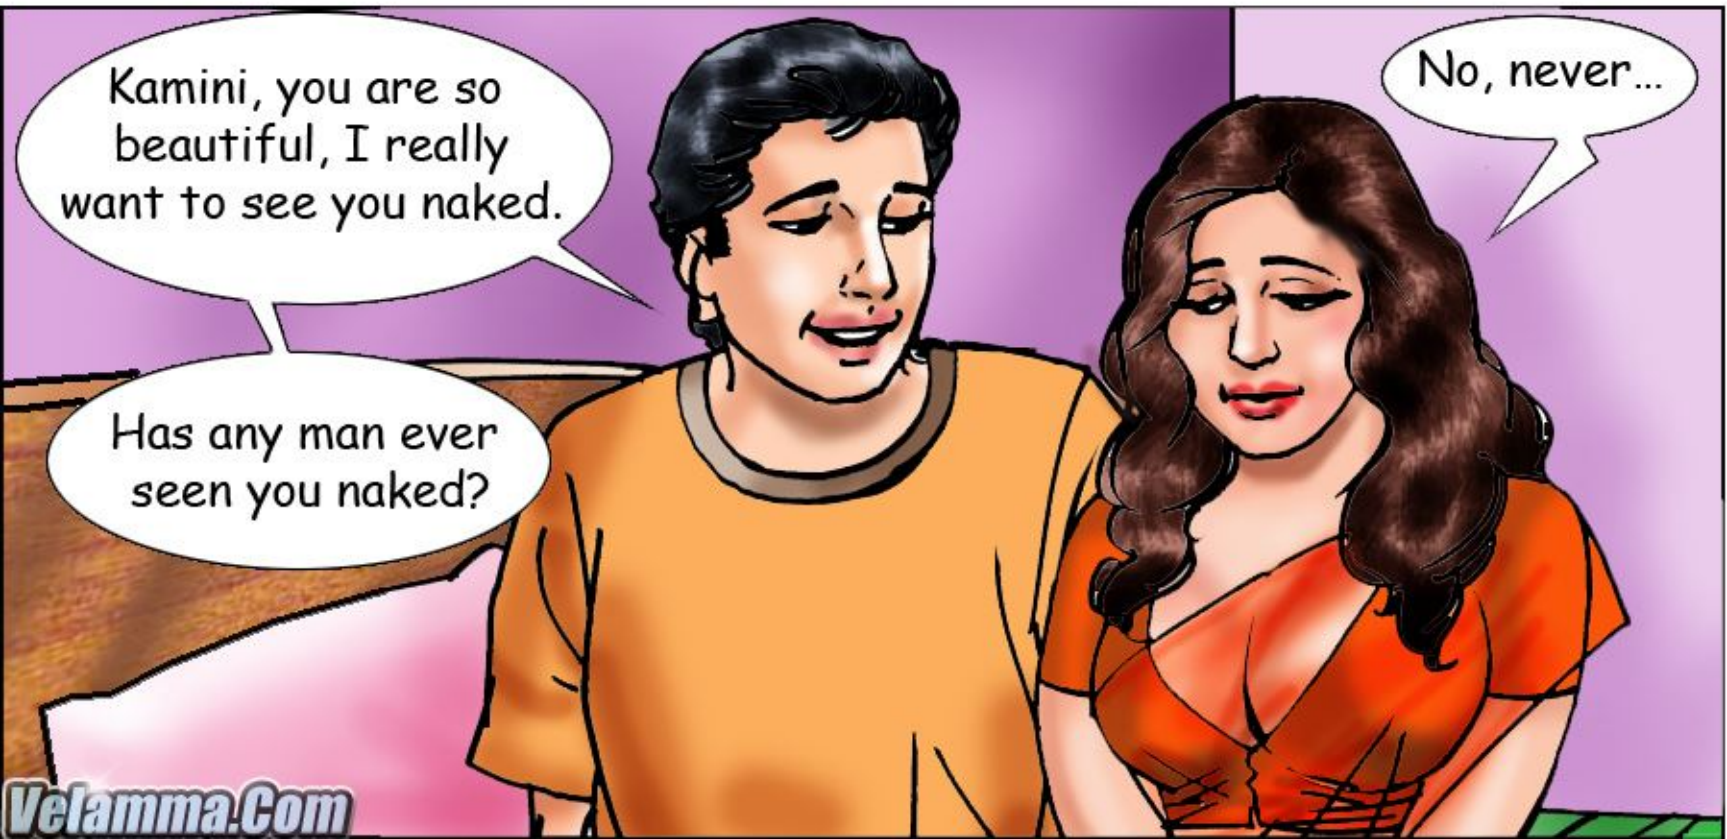

It will be a pleasure! Wow! Kamini,
you must be the prettiest girl I'll ever
have sex with. I'm sure both of us
will always remember this!

Yes! I still remember it, every single detail, every single sexual moment

In the beginning he just tried to make me feel comfortable. And soon I felt I could trust him with my virginity.

Kamini, you are so beautiful, I really want to see you naked.

Has any man ever seen you naked?

No, never...

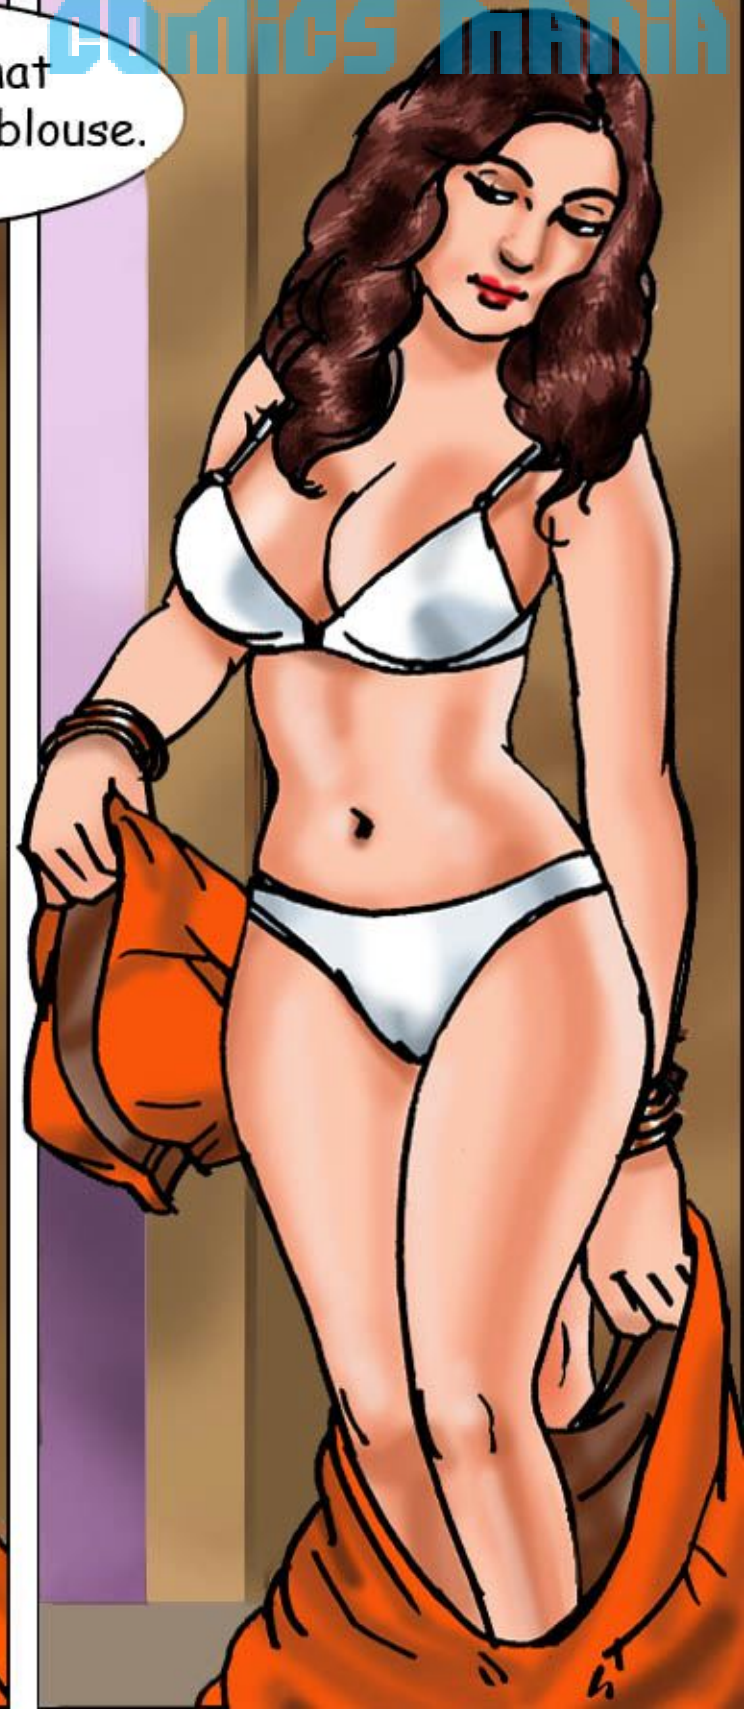

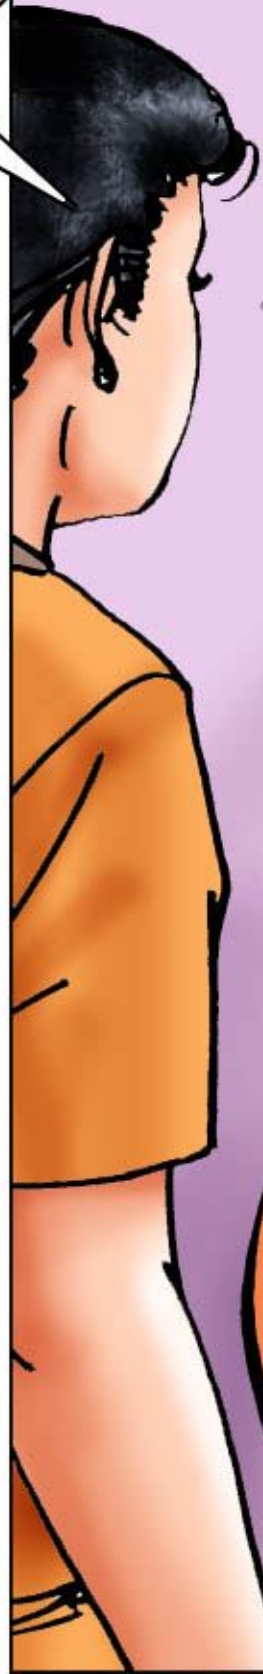

Wow! I'll be the first to do this too! Kamini, please get up and remove your sari first.

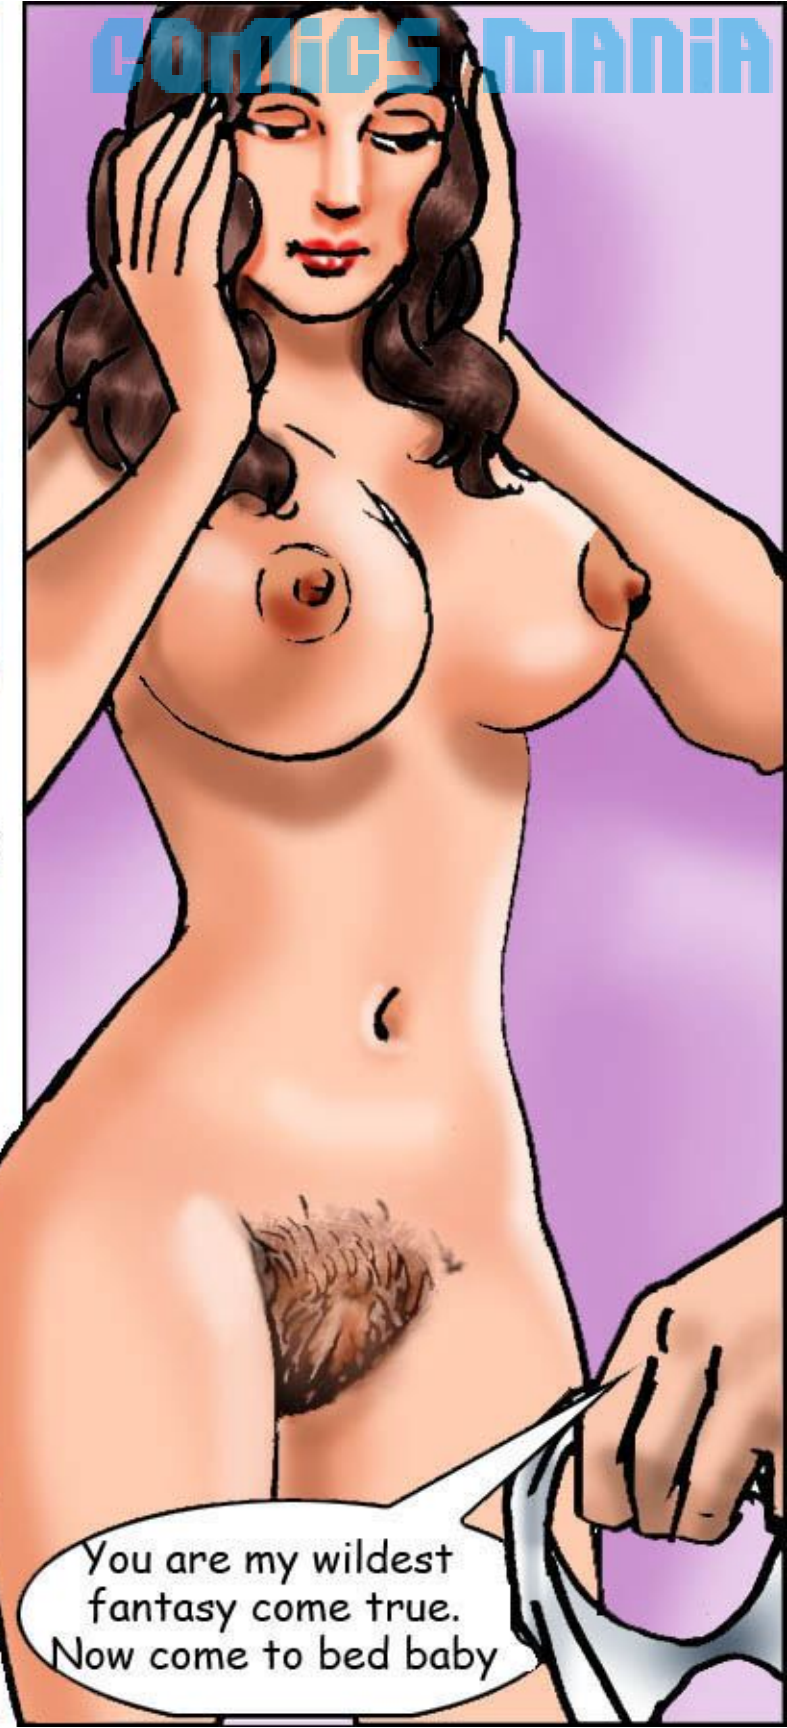

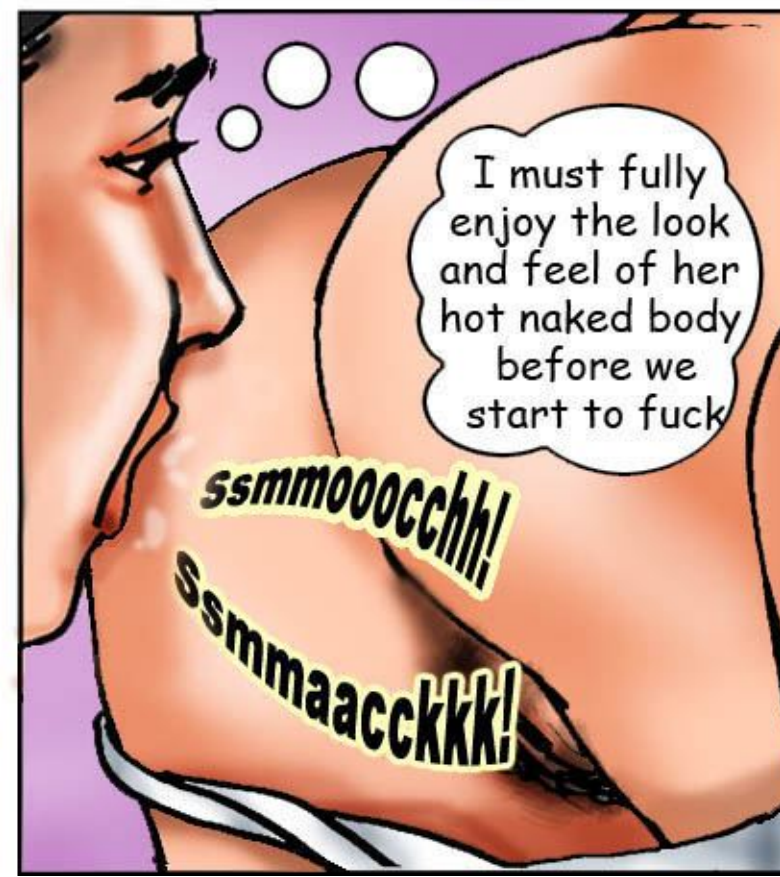

Awesome! I'm so so lucky!

Now remove that petticoat and the blouse.

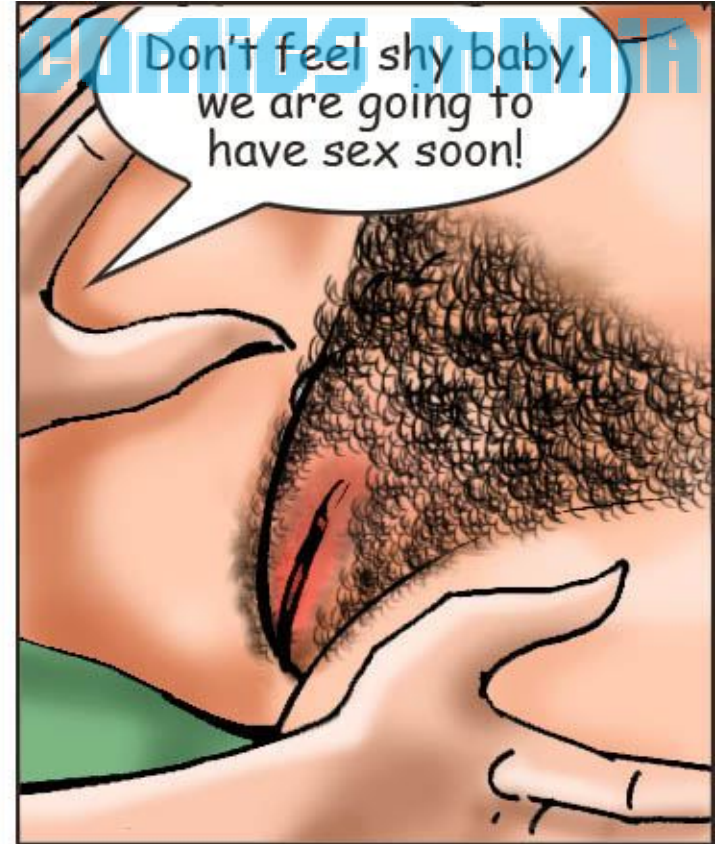

Now let's take a look at your sweet virgin pussy, Kamini darling.

There's no turning back now Kamini.

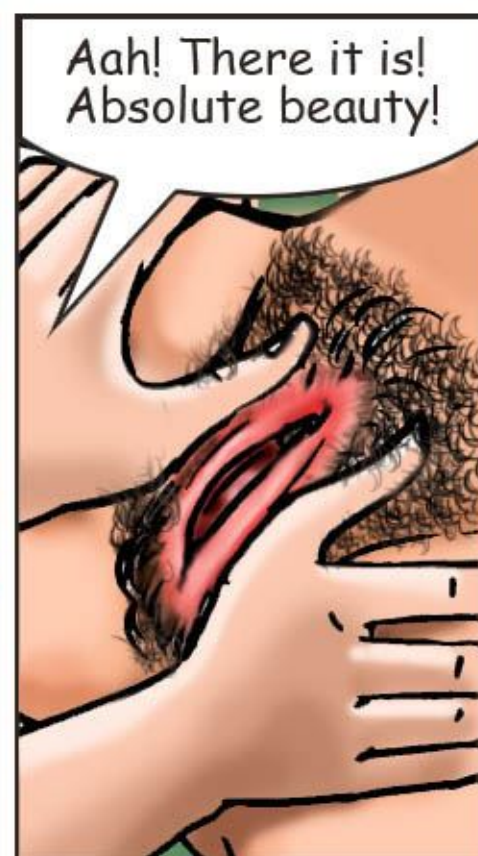

Don't feel shy baby, we are going to have sex soon!

You have a hairy pussy baby. You are a virgin, and this proves it.

Good that I resisted the temptation to shave my pubic hair

Aah! There it is! Absolute beauty!

Let me take a closer look at your pussy, with my finger!

Wow! So tight! My finger is hardly going in!

Hmm... If my finger feels so tight in your pussy, I wonder how tight my cock will feel

Oh my God! His finger is feeling so nice, I'd forgotten all about his cock!

Do you want to see my cock

I guess I'm supposed to say 'Yes'

Yes...

Well, here it is. You take it out and see for yourself

Ooohh...

it feels so big and hard

Ohh God! It's much bigger than I thought

How will that thing go inside me

Don't worry Kamini, it will fit very nicely inside your sweet little pussy

Actually, your pussy should be wet before I put my cock in. Let me lick it for a while. Would you like that Kamini?

Yes...

This feels wonderful! And I'm also going to be paid for it! Great!

ssluurpp

sswwoooooss

Ohh yes... That feels so good...

That's all for now baby. If you suck any more, I'll cum in your mouth!

I liked the taste of his cock. This is not a bad job at all!

Enough sucking, time for fucking!

Lata didi gave me a condom

God! Now comes the moment!

Kamini, get ready Just keep yourself relaxed and enjoy the moment

Wet cock meets wet pussy Made for each other!

Ok darling, now I'm going to put my cock inside your sexy little cunt

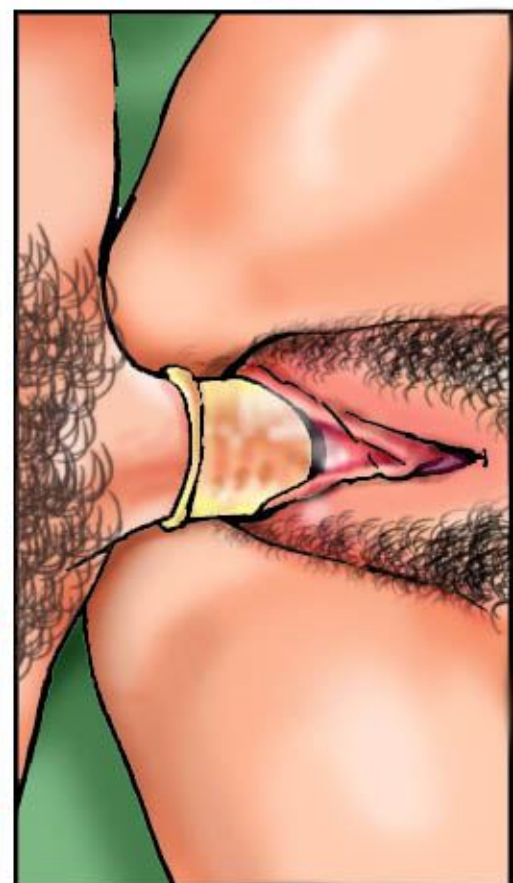

but it will be over very soon, and you will then begin to enjoy the pleasures of sex

It may hurt a bit at first, it may bleed too,

God help me...

God helped me, and so did Mohan. He was such a sweetheart. He kept saying nice things through the pain, and soon it was gone.

The pain was replaced by pure pleasure, and I began to really enjoy the sensation of Mohan's cock thrusting in and out of my pussy, stretching it fully and filling it with sensation

Kamini, you are wonderful. Your tight little sexy pussy is grabbing my cock so hard!

ohh ooohh

I may cum any moment, but I'm trying to hold back till you have an orgasm too

Yes... I am about to... cum....

I'm ready to explode

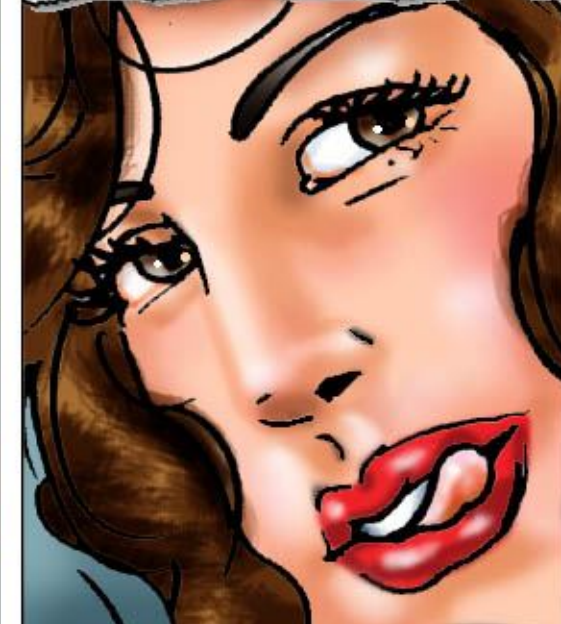

My first orgasm was a mindblowing experience. Masturbation wasn't close to it. It was the best I'd ever felt in my life.

We took a nap in each other's arms. And when we woke up, Mohan wanted to fuck me again.

And this time, he took his time and fucked me in various positions. It was even better than the first time

Mohan was back in the evening to enjoy my almost virgin pussy, and I enjoyed my first cock again. It was so much fun.

And the next day, Asha Aunty gave me my first pay

Kamini, here's ₹. 1 lakh for your first two nights of sex

Because it's your first time, and because you are my dear little girl, I'm not keeping any commission

Thank you so much, Asha Aunty

Under Asha Aunty's patronage and Lata didi's guidance, I soon became the most prized randi in the whorehouse

Kamini, remember one thing. Never kiss any of your customers on the mouth

Save that for the man you will love, the man of your dreams

What about blowjobs?

Taking the cock in the mouth is OK, if the cock is clean. Most of the customers have wives or girlfriends who don't suck their cocks, so a blowjob is a special treat for them.

Yeah, all of them love to put it in my mouth And I like cocksucking too

Slowly but surely, I'd fallen in love with the taste of cock, and just loved sucking cock. And that certainly made me very popular!

Kammo, I heard from my friend that you are great at sucking cock. Why don't you give me a blowjob

Of course, my dear. I just love sucking cock!

Mmm... nice tool. I like your size and hardness. My mouth is watering at the thought of sucking this wonderful cock

Oh my God! No one's ever done that to me before

Your hands feel so wonderful around my cock Kammo

Just wait till I have my lips around it!

Mmm... That looks yummy!

Just eat it!

So, do you really want me to take your cock in my mouth?

Yes, dammit! Just start sucking my cock!

Remember, I paid for it!

Hmmm... Someone is getting impatient.

In fact both of you are

I really need to get inside this hot pussy.

I think this is what I was born for... sucking cock! I feel so much in control of my man!

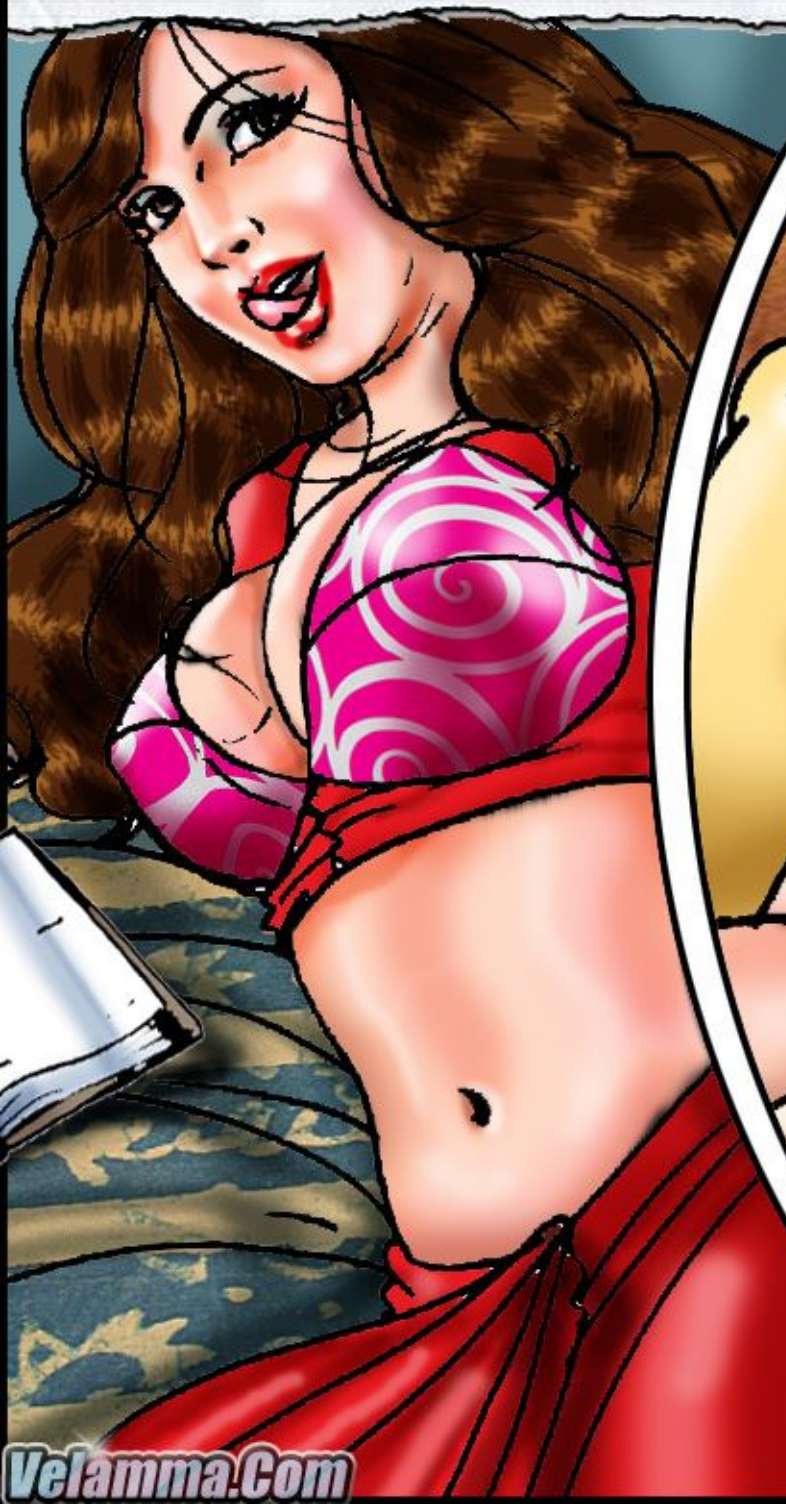

But her mouth feels so good. If she keeps sucking like this, I'll cum soon!

Slllurrrpp...
Slllurrrpp...

I forgot to tell you, on Lata didi's advice,
I'd shaved and trimmed my pubic hair.
But I think you've already seen.
Well, hee hee, here's another look...

I wonder if he'll cum inside my mouth

Oohhh...

Aahhh...

So that was the story how my love affair with cock started!
But would there be a love affair in my life too? The man I would kiss.
Or would I just keep on fucking a series of men for money, and enjoying the sex and the riches?
And what all experiences would I have as a randi?
Well, the only way you will know is if I tell you. And I will tell all in the next part of my life story.
