Hmmm Manoj, that feels so good

You really know how to pleasure a woman. It's like you've been doing this all your life

Tell me, when was the first time you actually had sex?

It was with a girl in my village bhabhiji

We both were 19 years old then.

We had been friends from a young age

But her father got her engaged to Rampal. He was a rich trader in our village who's wife had recently died.

I can still remember the first time I saw her as a woman...

Arre Manoj, its so boring here yaar

All we do is roam and eat this damn sugarcane

Lets go by the river bank.

The village girls come around this time there to wash and all.

On the banks of the river Churni

Oh, there's...

Chhaya

Wow, This is the first time  
I am seeing her like this.

I never realised she  
was so beautiful.

And her breasts...

They've grown almost as  
much as Chayya herself.

Oh, she's seen me!

Manoj!

LATER THAT NIGHT

Hello Manuji,  
how are you?

What are you  
doing here?

And I told you don't call me  
manuji, my name is Manoj

Ha ha, ok MANOJI!

Listen, I wanted to tell you  
something, but not here

Come walk with me  
to the old well

Ok, let me tell my mother

No no, don't do that. Just come.

Ok.

Both near the old well

Manoj, my father has got me engaged to Rampal.

Oh! Well, good for you, he is a rich man

You marry him then!

Ha ha

Manu, he is so old.

I don't want to be marrying him and having his kids and .. and...

Me?

No, I was just talking with my friends.

Oh Manoj, don't lie. I could see how you were looking at me

I'm not a kid anymore you know

Well... I ... I...

What were you looking at Manu?

My wet blouse sticking to me

You know, my breasts have grown so much...

All my blouses are too tight for me now.

And when I have a bath in the cold water, the nipples just stand up and poke through the blouse

Chayya...

Manoj, once I am married, my life is as good as over.

But before that I want to experience something special.

With someone I like.

You.

Touch me here Manu, I want to feel your hand on my breasts

Oh, this feels so good. I've never had anyone touch me before.

**SAVITA**

Chayya sounds like such a hot girl!

You must have been so horny at that time.

I was thinking I should not be doing it, cause she was to be married soon.

But by her talks and sexy body, I knew I would not be able to resist her.

My dick was so hard and I just wanted to press her boobs...

Oh, her breasts pressed against my body feels so good. And her tongue is running circles inside my mouth

Oh Manoj, I can feel something hard press against me.

What is it?  
I want to touch it

Yes, kiss me there.  
I want you to lick my breasts. I want to feel your tongue on them

Take off your blouse then Chayya

I too am dying to kiss them

God Chayya, your boobs are so big. I just want to press and lick them all over.

My dick is getting rock hard just thinking of it.

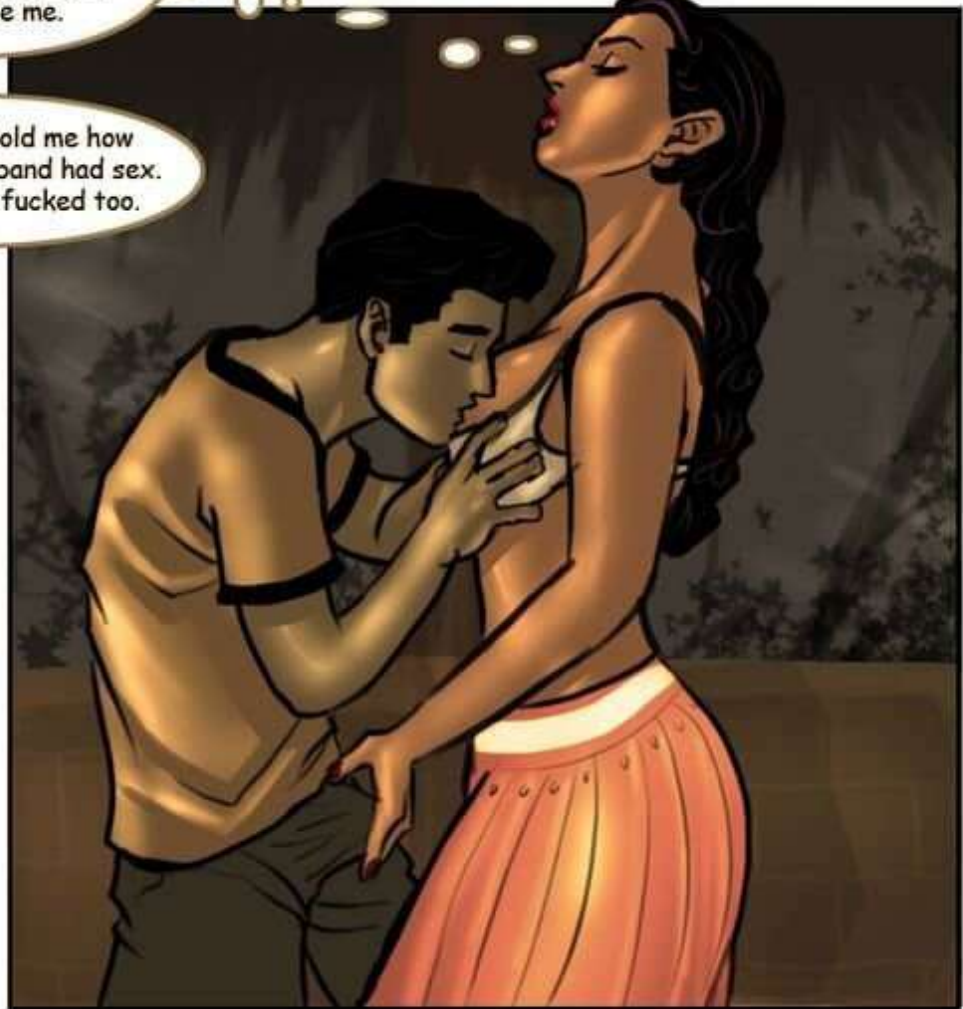

Her boobs are so soft. I just love the taste of her body on my tongue.

Oh, his dick is so hard. I wish he would put it inside me.

Nammo had told me how she and her husband had sex. I want to get fucked too.

Sorry guys. My mom has given me some work to do.

I'll see you'll later, bye...

Oh god, I can still remember the feel of her hand on my dick.

But if anyone comes to know, I am dead

Hi manu. I've been thinking about you all day

Last night you left me naked and horny out here.

Just touching my boobs has made his dick so hard, I wonder how big it will become when it actually goes inside my pussy

Once she is naked, I will touch her boobs, lick them, kiss them all over.

Your breasts are so soft, I want to feel them from inside

Then take the blouse off, make my breasts nude for your touch.

He's pressing his hard dick against my ass. I can't wait for him to put it in my pussy

Don't take it off completely Manoj. In case someone comes I can put on my blouse back fast.

Oh Manu, I love the way you are feeling my breasts.

Touch them, lick them, suck on my nipples

They are all yours.

**Savita**

Oh Manoj,  
yes yes... Fuck Me

Don't stop your story,  
its making me all the  
more horny.

Sucking on those virgin  
nipples of hers was making  
my dick even more hard.

I just needed to get  
it out, for her to take  
it in her hands.

Chayya, my dick has  
become so hard.

Please take it out.  
I want you to do for me  
what I am doing for you.

Oh, its so hard..  
and so hot!

It feels so big.  
I hope it won't hurt  
when its inside.

Chayya. Your fingers  
around my dick feels so great.  
Just rub it. Rub it hard.

I don't know Manoj.  
I've never touched a mans private part before.

You're doing good. Just  
move it up and down.

Does this feel good?

Do you want me to rub  
your dick like this Manu?

Yes, yes...

Don't ever stop,  
it feels so great!

Chayya, can you  
take it in your mouth.  
Can you kiss it? Please!

Please Chayya, take it in your mouth. I want to feel that.

Oh, I don't want to do that.

But what should I do?

Maybe I'll just touch it to my lips. He will feel good.

Manu, I don't know how to do this.

But I'll let you do something better

Something much better!

Manoj, put your dick inside me. Deep inside me

Right here

Oh Manu, it feels so hot down there. I have never let anyone do this before

Chayya, lets lie on that hay over there.

I want to do this from front. I want to feel your breasts against my body when I rub against you.

Hurry Manoj, I can't bear to have my hole empty.

I need your dick in it, rubbing against it, pushing in and out!

Oh Manuuu!!!

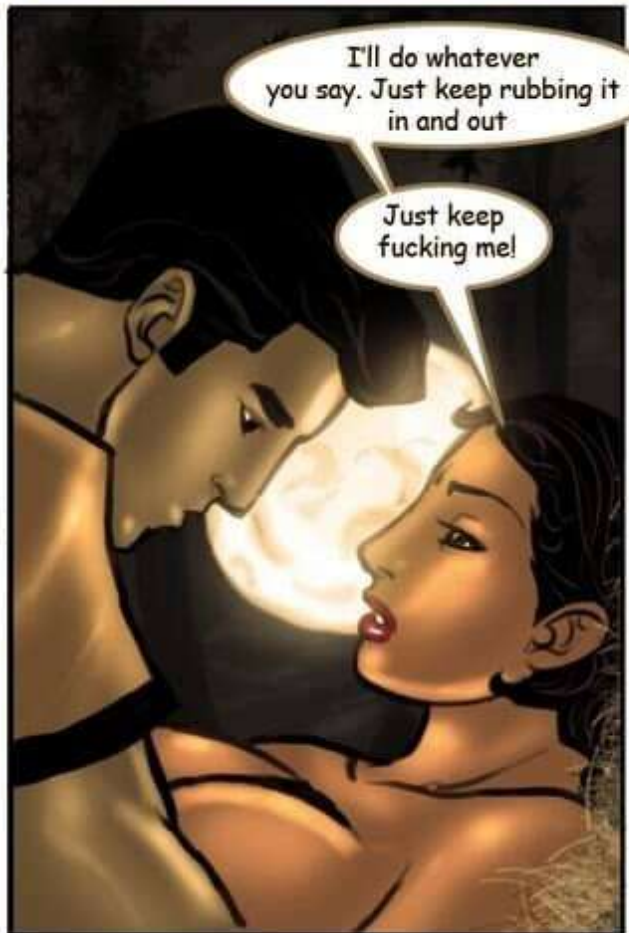

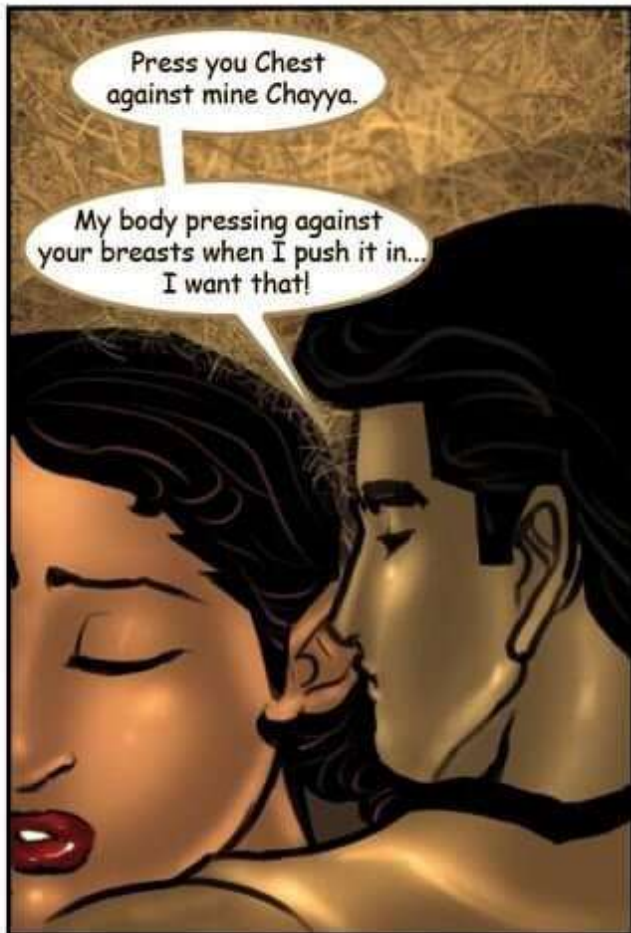

OOOOHHHHH!!  
AAAAHHHHH!!

Oh Chayya, my dick has gone so deep inside your hole.

Push it even deeper my love.

Please don't slow down, go faster.

One month later.

I heard he wanted to get married to a younger girl so she will beget him children.

Ha ha, hope the old guy has it in him to make Chayya pregnant.

What do you think Manoj, will Chayya have a baby?

Oh she will.. she definitely will!
