I know my Accountancy exams didn't go well. But I never expected to flunk.

Mummy and Papa are going to be very upset.

Hmmm, Veena did quite well in all the subjects, but failed miserably in mine.

I can't have that. Looks like I'll have to do something about it. After all, she's my friend Rameshs' daughter.

Don't be sad, Veena. With the right kind of coaching you'll be able to master Accountancy. I'll tutor you myself from now on.

Well, how nice of him. I can surely do with some coaching.

And who better for a tutor than Professor Ramalingam himself.

Thank you so much, sir! I am greatly indebted to you.

Don't thank me now. Thank me when you have scored high marks in the subject in the next semester.

Come over to my place at 6pm tomorrow. The sooner we start the better for you.

SO SHARP AT 6PM THE NEXT DAY, VEENA ARRIVES AT THE PROFESSOR'S RESIDENCE FOR HER FIRST DAY OF COACHING.

Do come in, Veena. You're right on time.

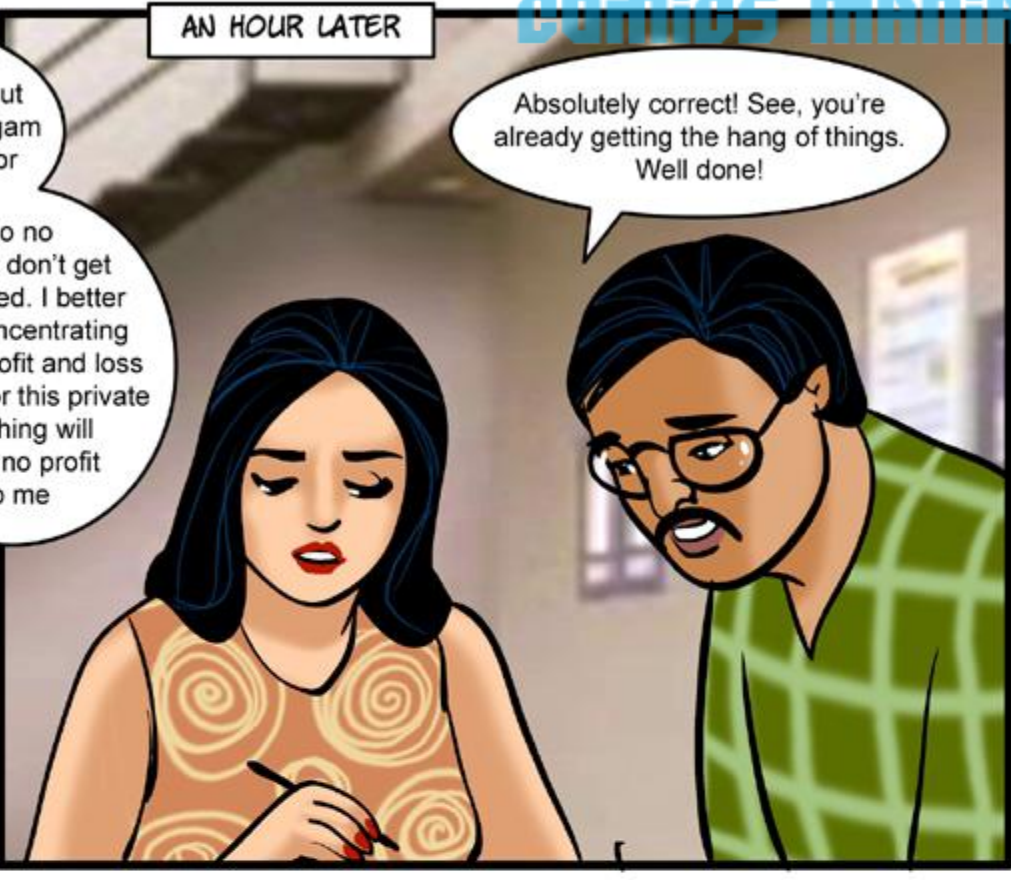

Let us begin with the 'profit and loss account'. It's rather interesting and very important for you to understand well.

I've never noticed it before but Professor Ramalingam is so handsome for a man his age.

No no Veena don't get distracted. I better start concentrating on the profit and loss account or this private coaching will be of no profit to me

AN HOUR LATER

Absolutely correct! See, you're already getting the hang of things. Well done!

Enough profit and loss accounting for the day, Veena. Have some tea now.

Goodbye Veena! Come again on Saturday... say at 5pm?

SO NEXT SATURDAY, VEENA COMES AGAIN.

Damn this rain

Oh no Veena. You're totally drenched. Come in quick!

Here, dry yourself up quickly before you catch a cold. I've kept one of my old salwars' for you on the bed.

Thank you so much, Sunita aunty.

She really is beautiful. It's funny how I hadn't noticed that before today.

Oh no! The bedroom door isn't properly closed.

She looks much more beautiful, naked.

Am I imagining this or is she rubbing her vagina.

This is really turning me on. But what am I doing?

She's not only my student but also my friend's daughter.

THE NEXT DAY

This is wrong. I'm not sure what to do.

I think she likes it.

Oh Veena, do you like how this feels?

Mmmm... This is not right sir. Please stop it.

She is saying no, but her spread legs are telling me something else.

Gosh, this is so wrong, but I can't help spreading my legs.

His touch feels so good.

Veena, I think we've had enough accountancy for today.

Its time I taught you something else.

You seem to be enjoying my fingers rubbing against your pussy.

Why don't you take off your panties and I'll make you feel even better.

Your pussy looks delicious Veena, mind if I have a taste?

Yes, lick it. Put your mouth on my pussy.

Oh yesss sirr, please don't stop!

Ummm, you taste nice down here.

Slurrrp! Slurrrp!"

Get on the table Veena, I'll be able to eat your pussy out much better that way.

Oh goddd! I never knew sir was so hungry for my pussy.

You seem to be enjoying this a lot.

How about you return the favour Veena?

I know how we can both get a taste of each other's sex!

If he continues licking my pussy like that, I'm gonna cum soon!!

Sir, I'm cummmmming!

Your pussy juices were delicious.

Take off your top, I need to see your incredible body again

Do you like what you see, sir?

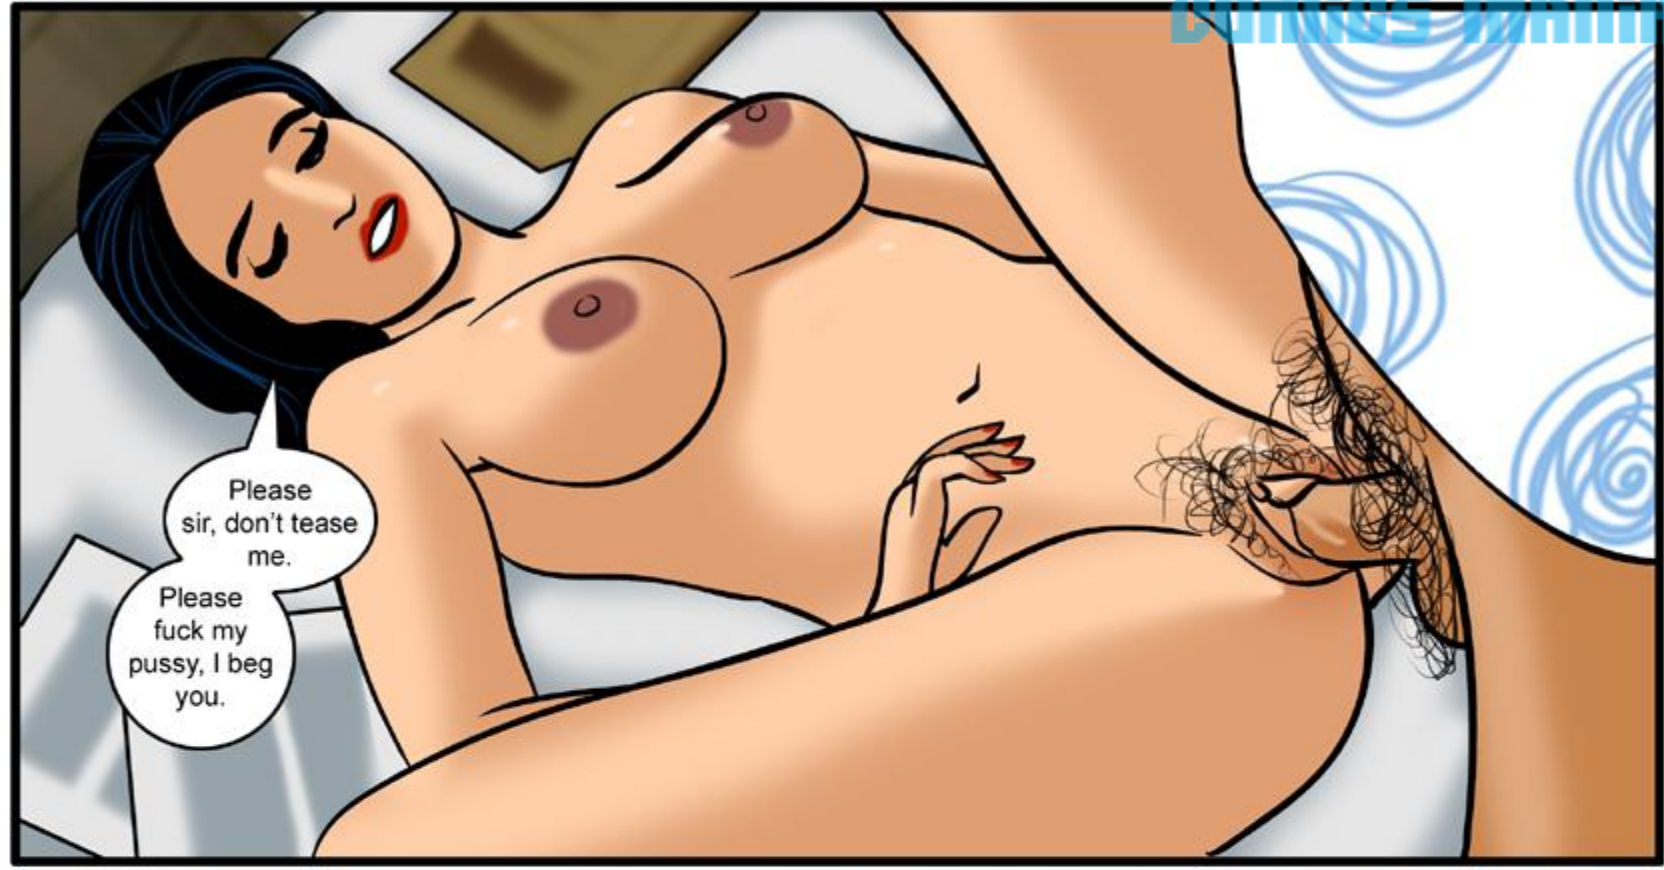

Yes, your body is so sexy

I've been dying to fuck you ever since I first saw it

Why don't you fuck me then?

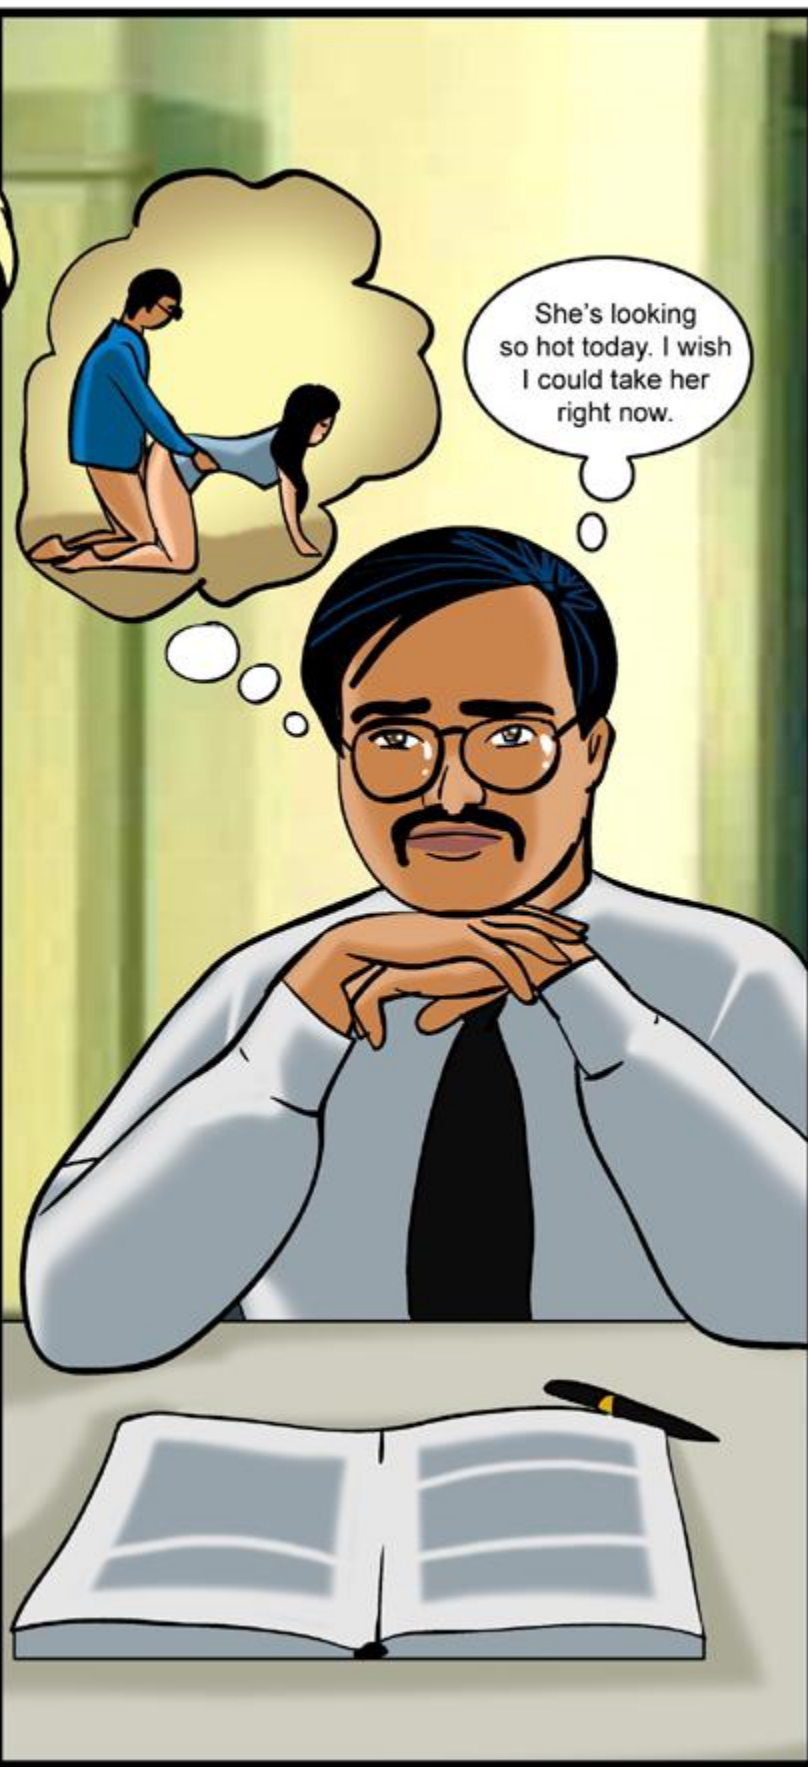

My pussy is all ready.

NEXT DAY AT COLLEGE

I can't wait to be fucked by sir and swallow his cum again.

She's looking so hot today. I wish I could take her right now.

It's a message from sir.

Meet me at room number 407 after this class ends

Oh sirrr!
You really love
my body,
don't you?

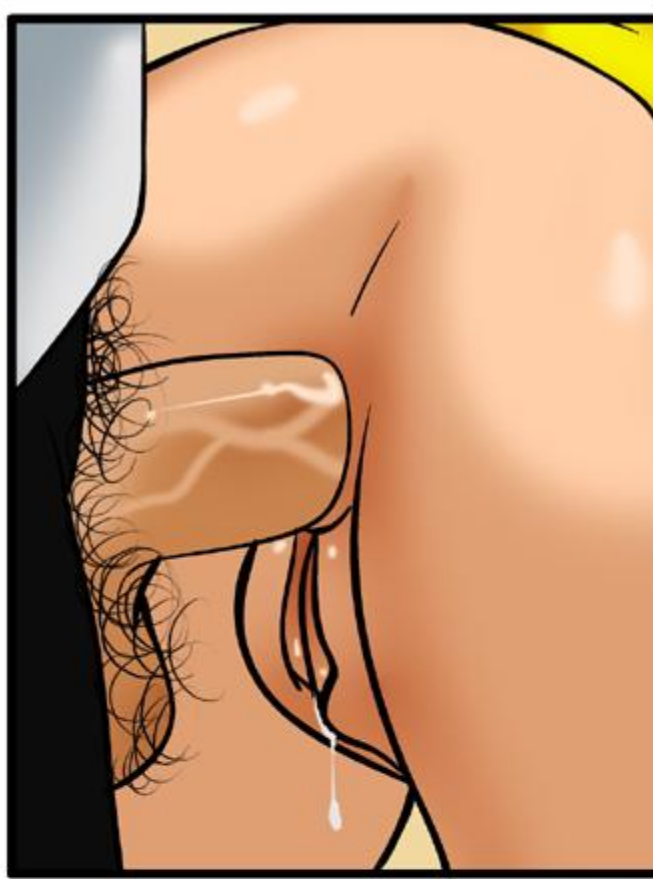

Yes Veena!
I love your body
more than anything
else in the world. I
wanna fuck
you in the
ass now.

Come in
quickly, dear. I've
been waiting
for you.

Oh
but sir,
that'll
hurt

Ummm, yeah! Give it to me, sir.

This is it! I am gonna cum now. I am going to cum in your ass.

Yesss Sir I can feel it. Spill all your hot cum inside my ass!

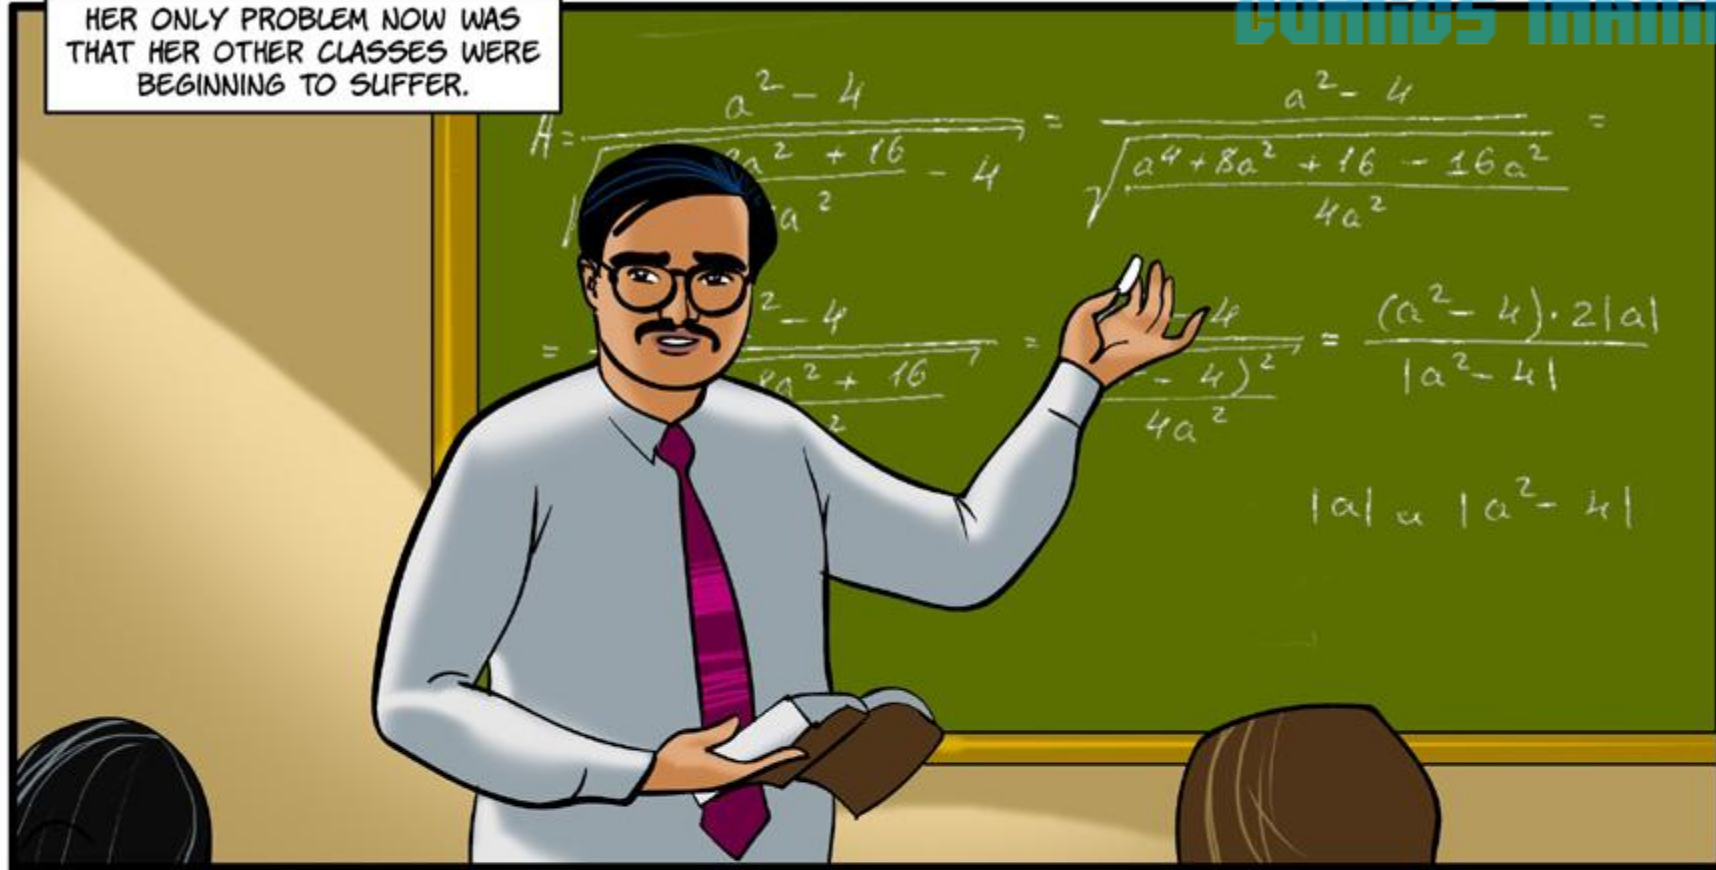

That was good wasn't it, dear?

It sure was, sir. I have to get going now. The next period is about to start.

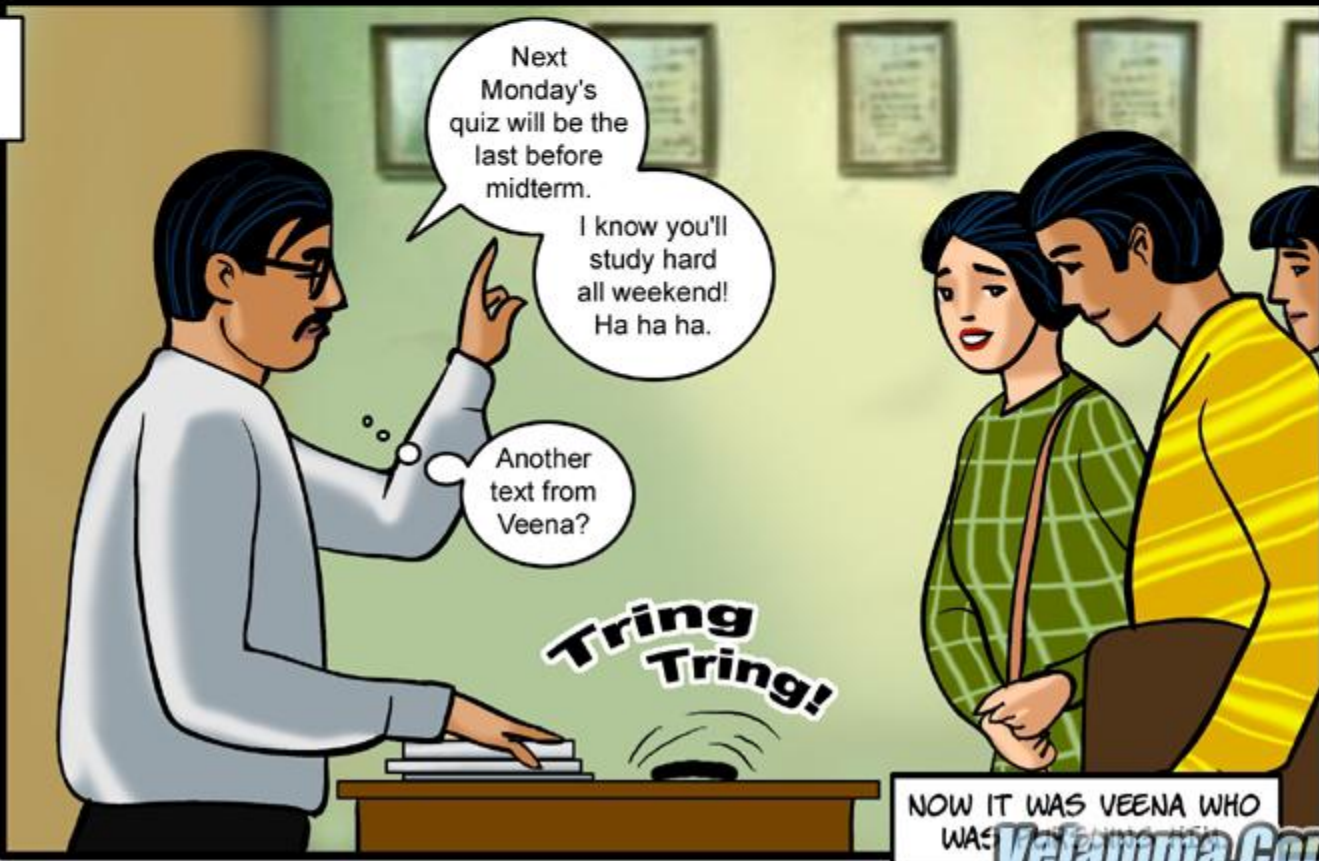

VEENA'S ACCOUNTANCY MARKS WENT WAY UP.

HER ONLY PROBLEM NOW WAS THAT HER OTHER CLASSES WERE BEGINNING TO SUFFER.

SHE HAD BECOME INFATUATED WITH PROFESSOR RAMALINGAM, TO THE POINT OF DISTRACTION.

NOW IT WAS VEENA WHO WAS

AND PROFESSOR RAMALINGAM WAS INTOXICATED BY HIS YOUNG STUDENT'S ATTENTION.

ONE WEEK LATER

Where are you off to so early?

More accountancy tutoring with Professor Ramalingam.

Well now, that extra work is paying off!

I always knew my buddy Ram could get through to that thick head of yours.

Professor is a very...

...HANDS-ON teacher.

Well, I'm sure that's only because he and I are such good friends.

I'm sure that's the reason, Papa.

MEANWHILE AT RAM'S HOUSE

I'll tell my sister you're just crushed that you couldn't make her birthday lunch.

At least I have a real excuse, all these papers to grade.

Don't have too much fun without me.

Just enough time for a quick shower.

DING DONG!

Ram, you old dog. How did you score this pretty young piece of ass?

Ready for our sessions?

But you're so clean.

I guess I showered just to get all dirty again.

What are you hiding under there?

I've been dying to get to your beautiful penis, Professor.

Gentle, my student. We have all afternoon this time.

I'll put on some music. Would you like a glass of wine?

No, thank you, Just your hard penis, professor.

You'll see, my pet. By taking our time, the sex will be even more enjoyable. Let me get a look at you.

I've never gotten so much attention before.

I'll give you more than attention, Veena.

Come, I want to taste you.

Oh, damn! I forgot her gift. I'm going to have to drive back home to pick it up.

I'm surprised Ram didn't call when he noticed I left it behind. Maybe he is working really hard today.

So many lovely holes, Veena. And we've time to explore them all.

No hurry, sir. Mmmm. Let's be thorough...

What!?

What do you mean by 'right here' auntie?

Let's just send the girl home.
It's not her fault.

Go ahead. I want to see what she does to keep you hard that I apparently can't.

I TOLD YOU TO FUCK THAT BASTARD! NOW, VEENA!!!

You know I can't do this, Sunita. It's wrong.

You can't get it up with that tight little twat begging for it, Professor Ramalingam?

Maybe you need a little help.

Did you hear that, Veena. He says he needs a little help. I bet sucking on it will get some results.

Stop it, Sunita!
What are you trying to prove?

I don't know, Ram.
Maybe your cute little students turn you on more than I do.

OK, looks like you're ready.
So what position do you prefer?
This is madness, Sunita.

Fuck this little slut, my beloved husband, or the entire world will know of your little love affair.

Don't make me do it, auntie.
Shut up, you little slut.
You weren't shy to fuck him before I walked in.

Here, I'll even guide you in.

Ooh, Ram, even I can feel how tight and wet your student is.

No wonder I don't do it for you anymore.

You know that's not true

Fuck her good
You like fucking young pussy, don't you?

DING DONG

Wonderful, guests!

Ding Dong!

Don't bother yourselves, I'll get it.

You're never going to believe this. It's your father, Veena!

Don't answer it!

But he knows I'm here. Getting tutored.

Well, I can't leave him out there
Let's see what he wants.

You wouldn't dare!

Quick, we'll hide in the bedroom!

SLAM!

Ramesh!
How are you?!
Come in!

Lunch
for my star pupil
and my best
friend.

This is perfect! And Ram deserves every bit of what he gets!

My wife said it's the least we can do, considering all Ram's extracurricular help.

And how is Vellama, Ramesh?

Oh, she's fine, I suppose.

Me? Why do I deserve a gift?

You know that I've always fancied you, don't you?

What the hell is she doing?

I always thought you were pretty, Sunita. But, you know, you're my best friend's wife, so...

...and if I take your gift, my wife would wonder why I came home with a gift box!

No, not that, Ramesh. Your gift is right here.

Sunita! You're lovely, but...

Give me your hand, Ramesh.

My god, you're wet, Sunita.

You think that's wet? Wait until you slip your cock in there.

Are you sure we should do this?

My god, Ramesh! Your cock is thicker than my arm. All that time I wasted with Ram's puny penis...

Ooooooh, that's intense. I'm going to make you shoot your hot cum inside my pussy!!!

Go ahead and pile it on, Sunita.

Does this mean we can have some more sex, Professor Ramalingam?

Oh, yesss. Make me cum again!

Might as well. This is the last fucking I'll be doing for a loooooong time.
