2 MONTHS AFTER THE INTERVIEW

Mom, I'm all set. I'm leaving now.

Just a moment, I'm coming downstairs.

Do you really need to shift to the apartment?
I mean, can't you go from...

Mom, we've already had this conversation.
And don't you worry, I'll be giving you visits quite very often. Just Relax

Hmm...

Please... don't be so down, I know that you still feel that am your little girl
But I have grown up ma.

If Ramesh would have been here, he would have accompanied you to town.

Ha ha! Don't worry ma, I'll be just fine. You take care of yourself.

Well ma, You have the house all to yourself, I'm sure you can think of some way to have fun.

What??

I meant that...

...Daddy is out of town, you are alone here. You can go shopping or something, right? Get out of the house... have some fun!

Ah, yes yes, you are right!

Bye beta! Take Care!

Give me a call when you get there.

Bye!

Thank god, I thought for a moment that the blackmailer had told her everything.

Oh, mother. I know full well what you do when you're home alone. What a naughty little slut you are. Of course I'll be getting into mischief of my own at my new place.

Bhaiya, take me to the new Industrial Colony at the outskirts of the town.

Ji memsab.

Finally the day has come when I can live all on my own. I can go out anytime and stay late outside even at night.

And mom gets an advantage too, she can get along with all the men she likes with me away!

INDUSTRIAL COLONY

Oh god, I can't wait when I'll have my own new apartment.

Please try to understand Ma'am. The owners never negotiate with anyone.

But I think I can convince him so that I can stay here without paying the advance rent.

Just fix me an appointment with the owner of the apartment.

!?

Did you hear that right, Lachhman!! She wants to meet Mr. Hiralal.

I think she does not know what a hardass he is.

Everyone in the complex knows that he lusts for money and women..

He'll probably try to get fresh with her the moment he sees her.

Alright .I'll try to fix you up a meeting with Mr. Hiralal tomorrow .You can stay today at your apartment.

Leave that to me. After all I am Velamma Laxmi's daughter.

I know very well how to get what I want.

But remember Ms. Veena. Only if Bade sahib agrees, which is very unlikely that he will, you can have this flat.

Ahh, at least I got the room for tonight. Now everything will be decided tomorrow if I get to stay in this or not.

I'm so tired. I think I'll take a shower.

I hope that Mr. Hiralal is a good person and he will understand my situation.

From his name, it seems that he is a simple kind of person. May be it won't be hard to convince him to give me this apartment.

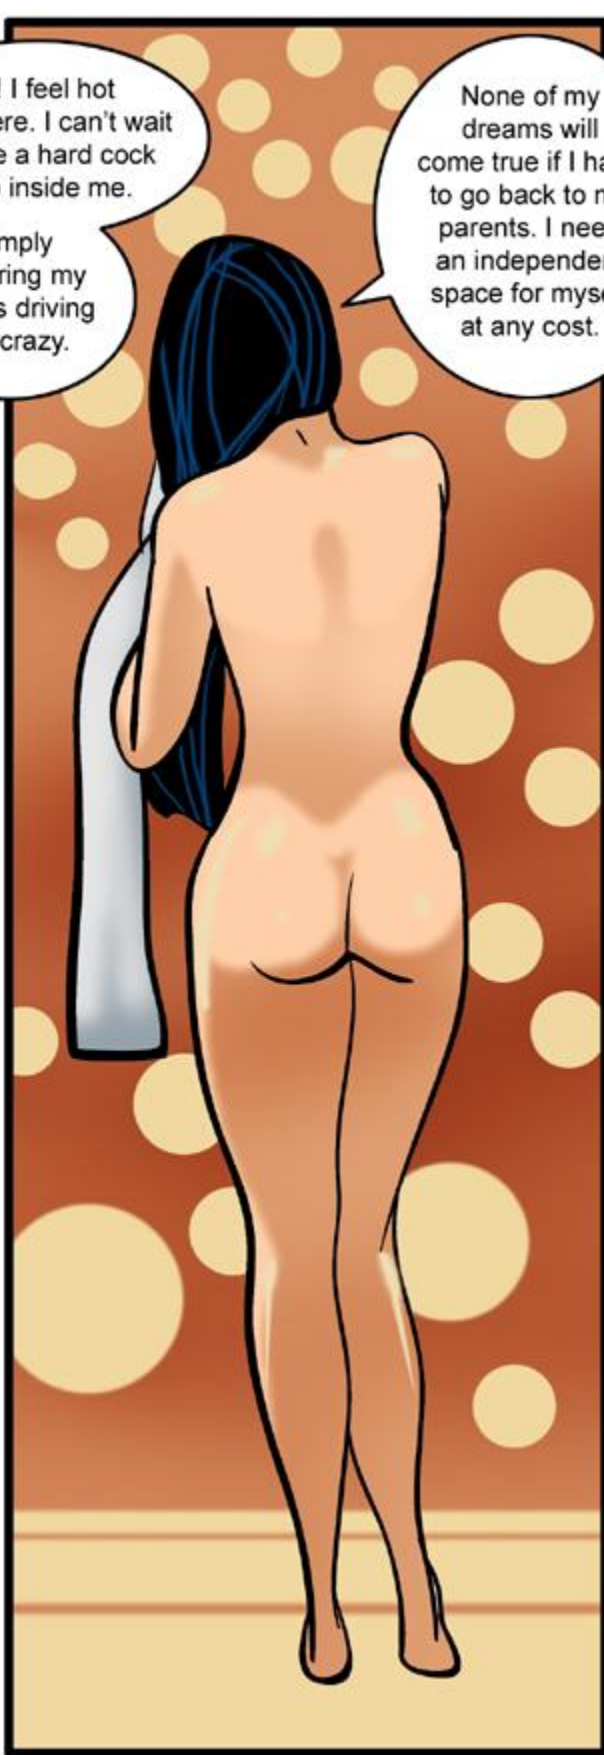

Oh!
It feels
so soothing to
feel the water
run down my
tired body. It
was such a
stressful
day.

Ahh!
It feels so
good. I wish
I had some
hot dude
here licking
my boobs.

Oh! I feel hot
down here. I can't wait
to have a hard cock
deep inside me.
Simply
fingering my
cunt is driving
me crazy.

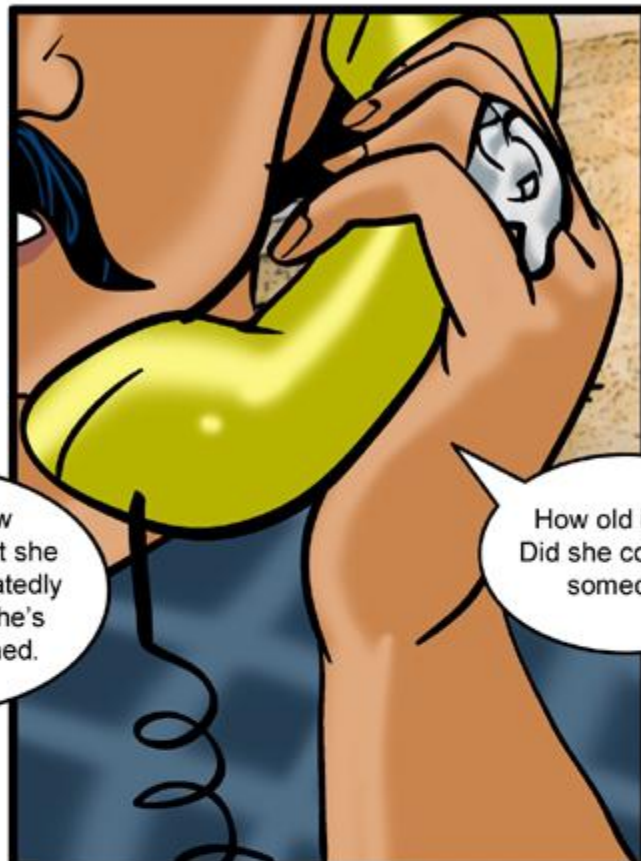

None of my
dreams will
come true if I have
to go back to my
parents. I need
an independent
space for myself
at any cost.

Whoever
you are Mr. Hiralal.
I am going to win
you over.

Yeah, I know the rules sir. But she requested repeatedly to meet you, she's quite determined.

How old is she? Did she come with someone?

She is very pretty sir. She came here alone and she is in her early twenties.

Alright bring her to my haveli then. I'll look into her matters.

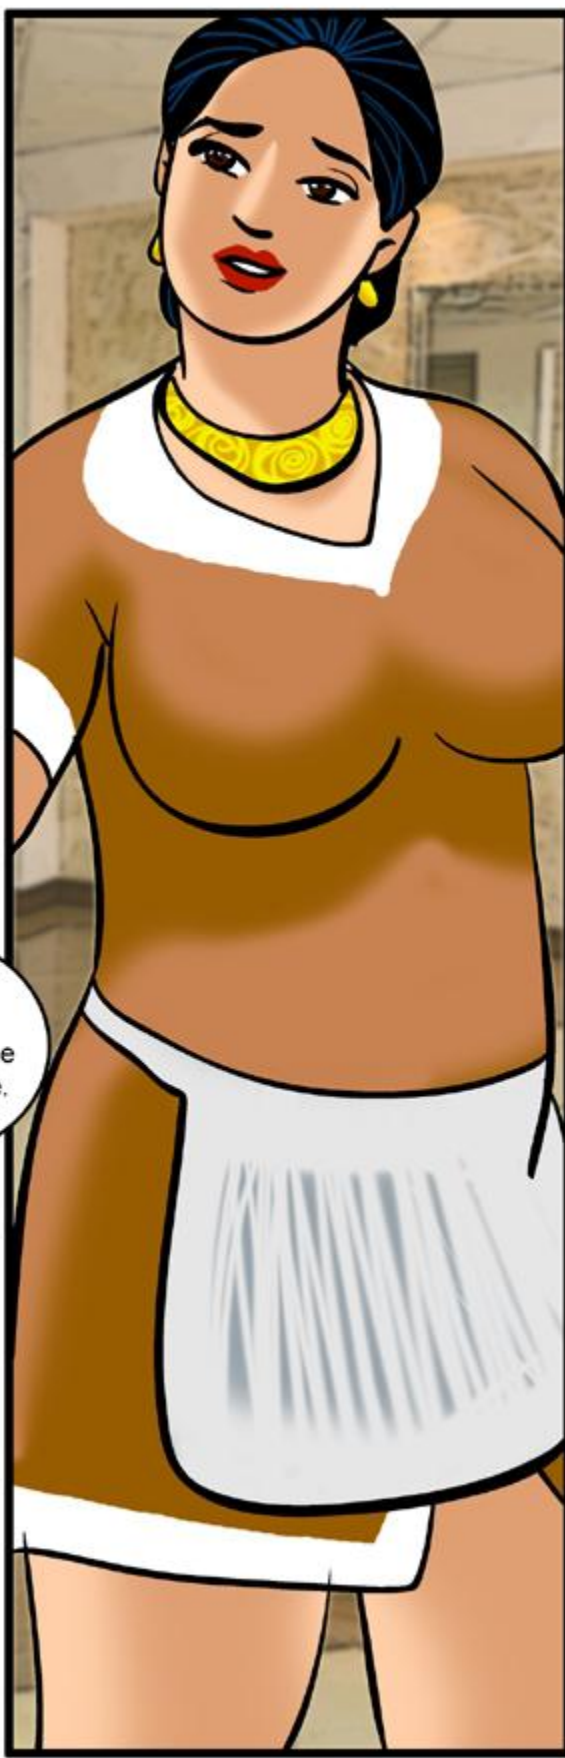

Oh god! Please help me. I hope that Mr. Hiralal agrees..

MEANWHILE AT HIRALAL MANSION.

Saab,
Can I clean
the room while you
are reading the
newspaper?

Where's
your malkin?

She has
gone to the nearby temple.
She said to take care of
you in her absence.

I didn't
notice this
hot maid in the
house before.

Very well then.
Close the door
of the room and
come to me.

What?

I can't believe I missed a girl like you in our house.

But today I will not make that mistake. I want to feel my dick inside you.

Your tits are so soft. I'd like to take a bite of it.

I am at your service, sahib. I'll do whatever you want.

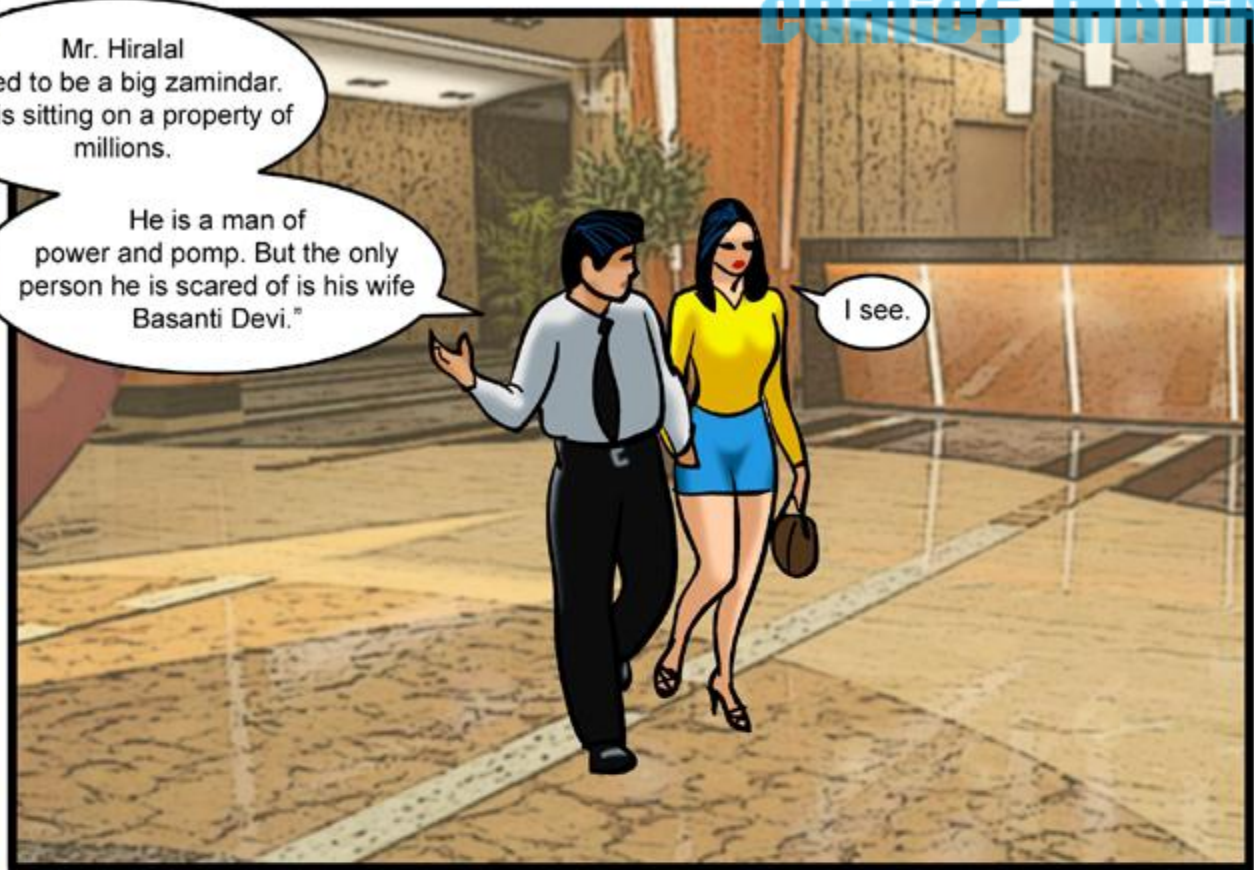

AT THE HIRALAL BHAWAN

Wow! His house is like a palace. He must be a very rich man.

Mr. Hiralal used to be a big zamindar. He is sitting on a property of millions.

He is a man of power and pomp. But the only person he is scared of is his wife Basanti Devi."

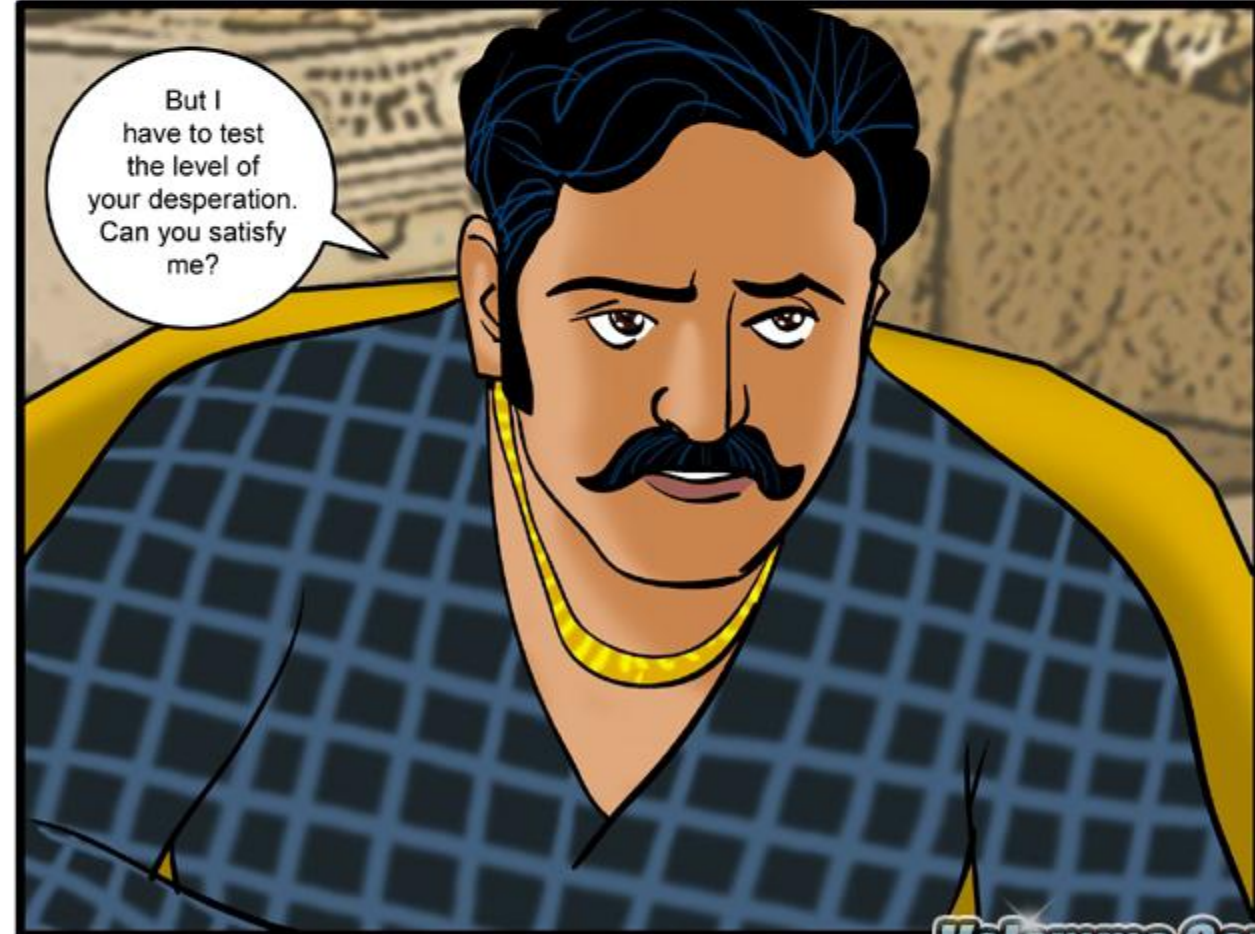

I see.

Bade sahib ordered only the girl to enter the room.

Please have a sit. Ms. Veena.

BASANTI DEVI, THE WIFE AND CO-OWNER OF THE INDUSTRIAL COMPLEX. IT'S RUMORED THAT SHE IS THE ONE PERSON THAT MR. HIRALAL ACTUALLY FEARS.

I am sorry. But did I interrupt any important discussion?

This young lady is new to the town and I was talking with her about her new apartment.

Good to meet you, ma'am. I just came here to invite Mr. Hiralal to my new flat. He has been really kind to let me stay there without any payments..

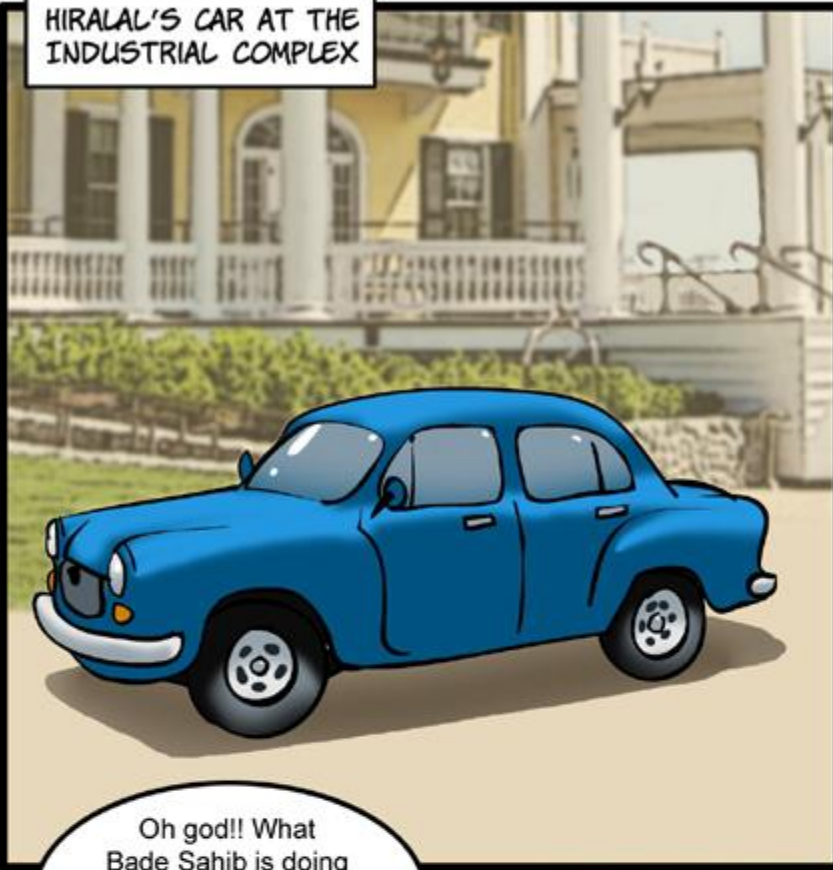

She's a young girl living alone so I have decided to help her.

Your husband is very kind ma'am.

Basanti is suspicious of me. I should send Veena away and visit her apartment later. It'll be great. I will have an entire apartment to fuck this slut hard.

HIRALAL'S CAR AT THE INDUSTRIAL COMPLEX

Oh god!! What Bade Sahib is doing here on a holiday? It must have been something very important.

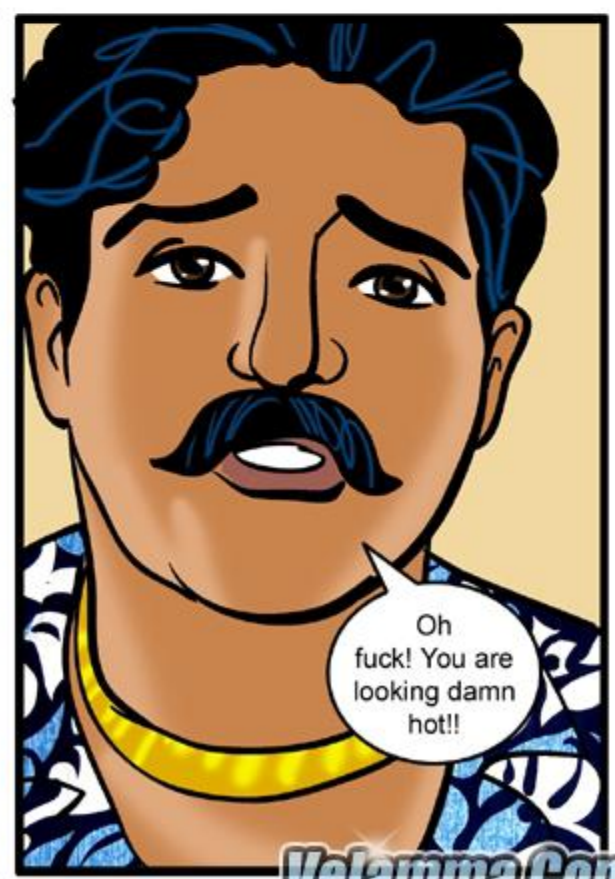

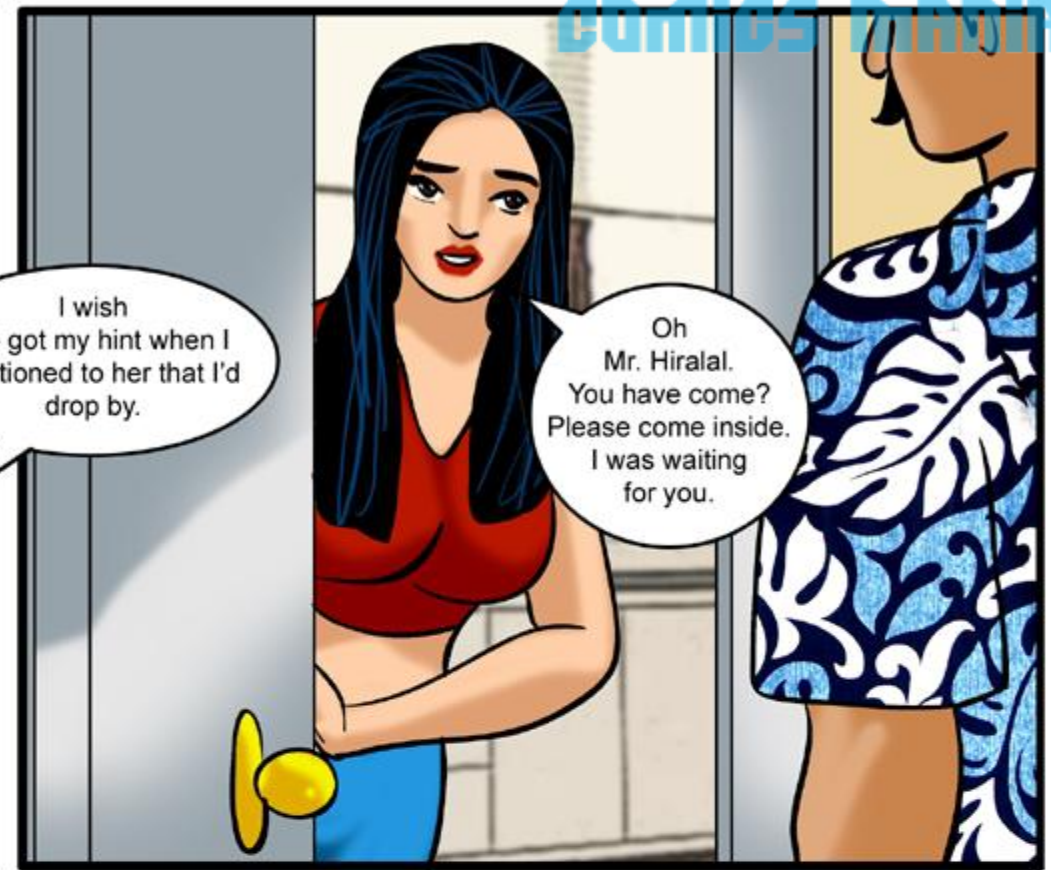

Where is Ms. Veena, Dinanath? Did she check in to her new apartment?

Yes sir. As you said, I handed the apartment keys to her. Is there any problem?

No. There is no problem. I have to discuss some important terms with her. Ensure that no one disturbs us until I come back.

Yes sir. I will do that.

She is teasing me on purpose.
But I can't wait anymore. I've been waiting for this all day.

What are you doing Hiralalji? Not in the kitchen.

You are forgetting that this entire apartment is mine. I can start anywhere.

Your boobs are really soft. Let's open the tiny cloth that you are putting on

Ahh, I like pressing and playing with your boobs, Veena.

They are all your Hiralalji. I am all yours today. Do whatever you like with them.

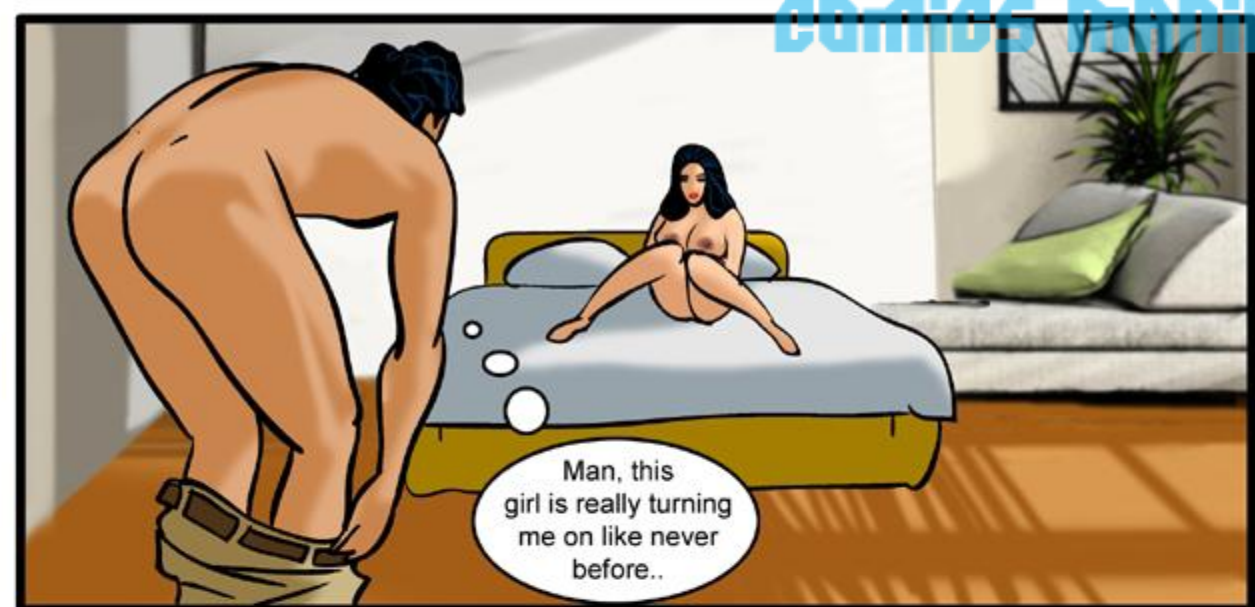

I am ready to surrender my entire body to you Hiralalji, for the sake of this apartment. Come and play with me.

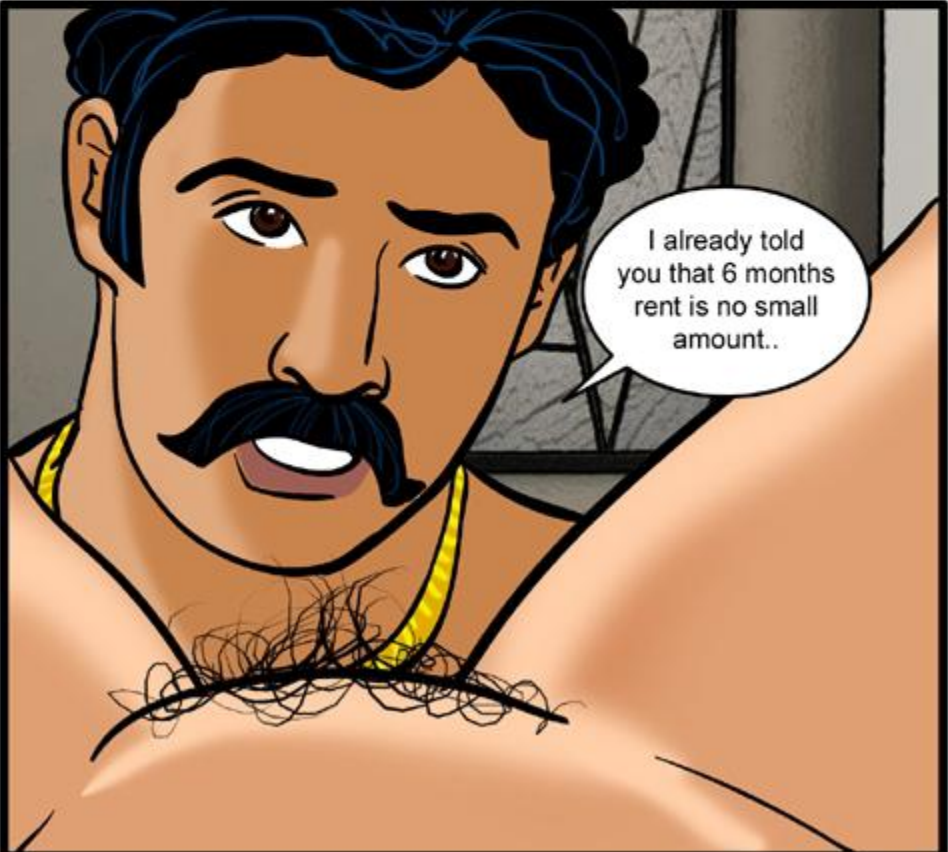

AHH, your tongue feels so good on my titties, please don't stop.

Ohh ... baby ... you are so good.

Ahh... you are too deep. It feels great hurts a little.

Your pussy is still tight, Veena. I'm going to stretch it out with my big cock.

As you wish landlord ... ahh ...

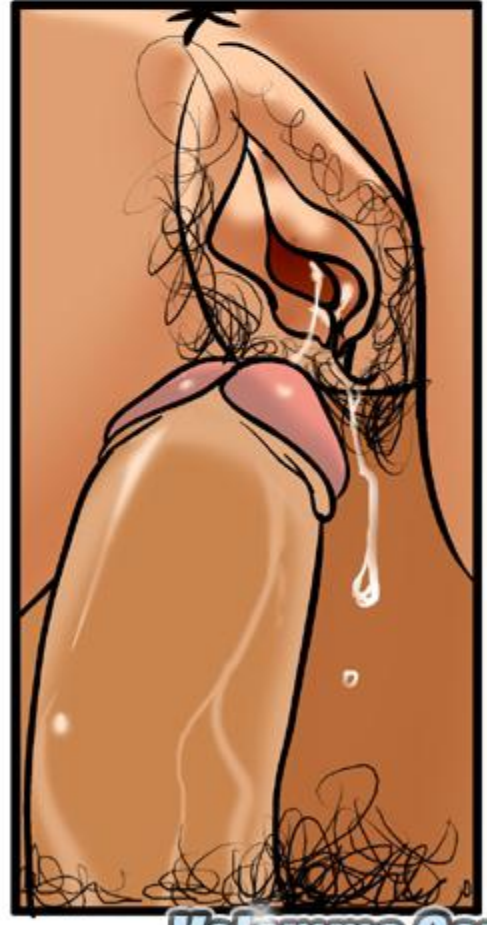

I can feel it. Your cock moving inside me. Oh god ... ahh ... I think I'm going to cum.

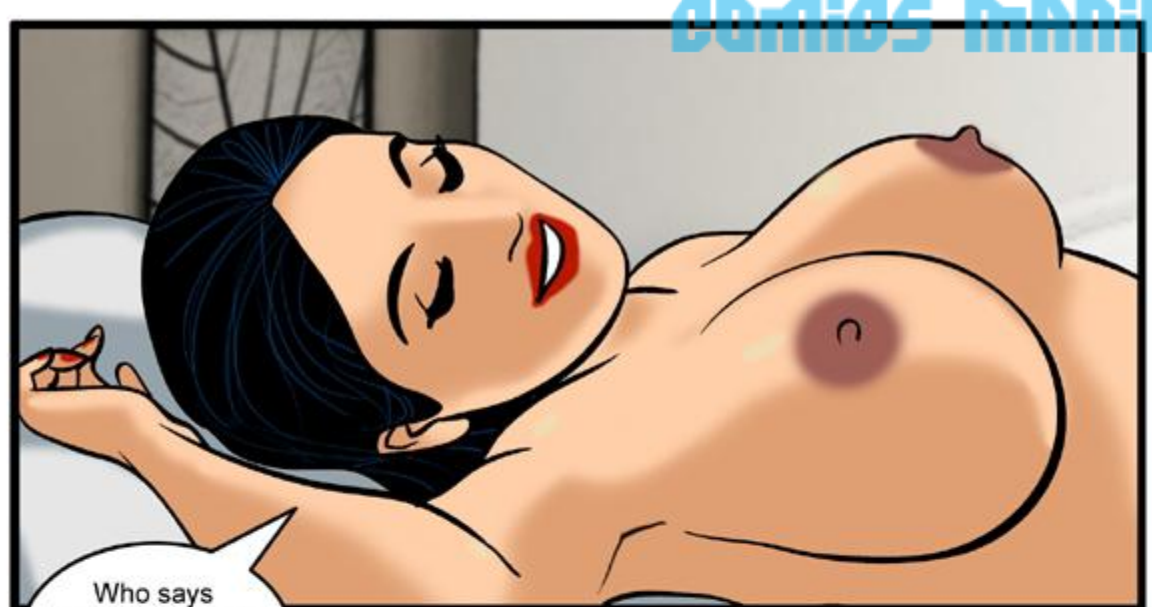

Here I CUM!

Me too.

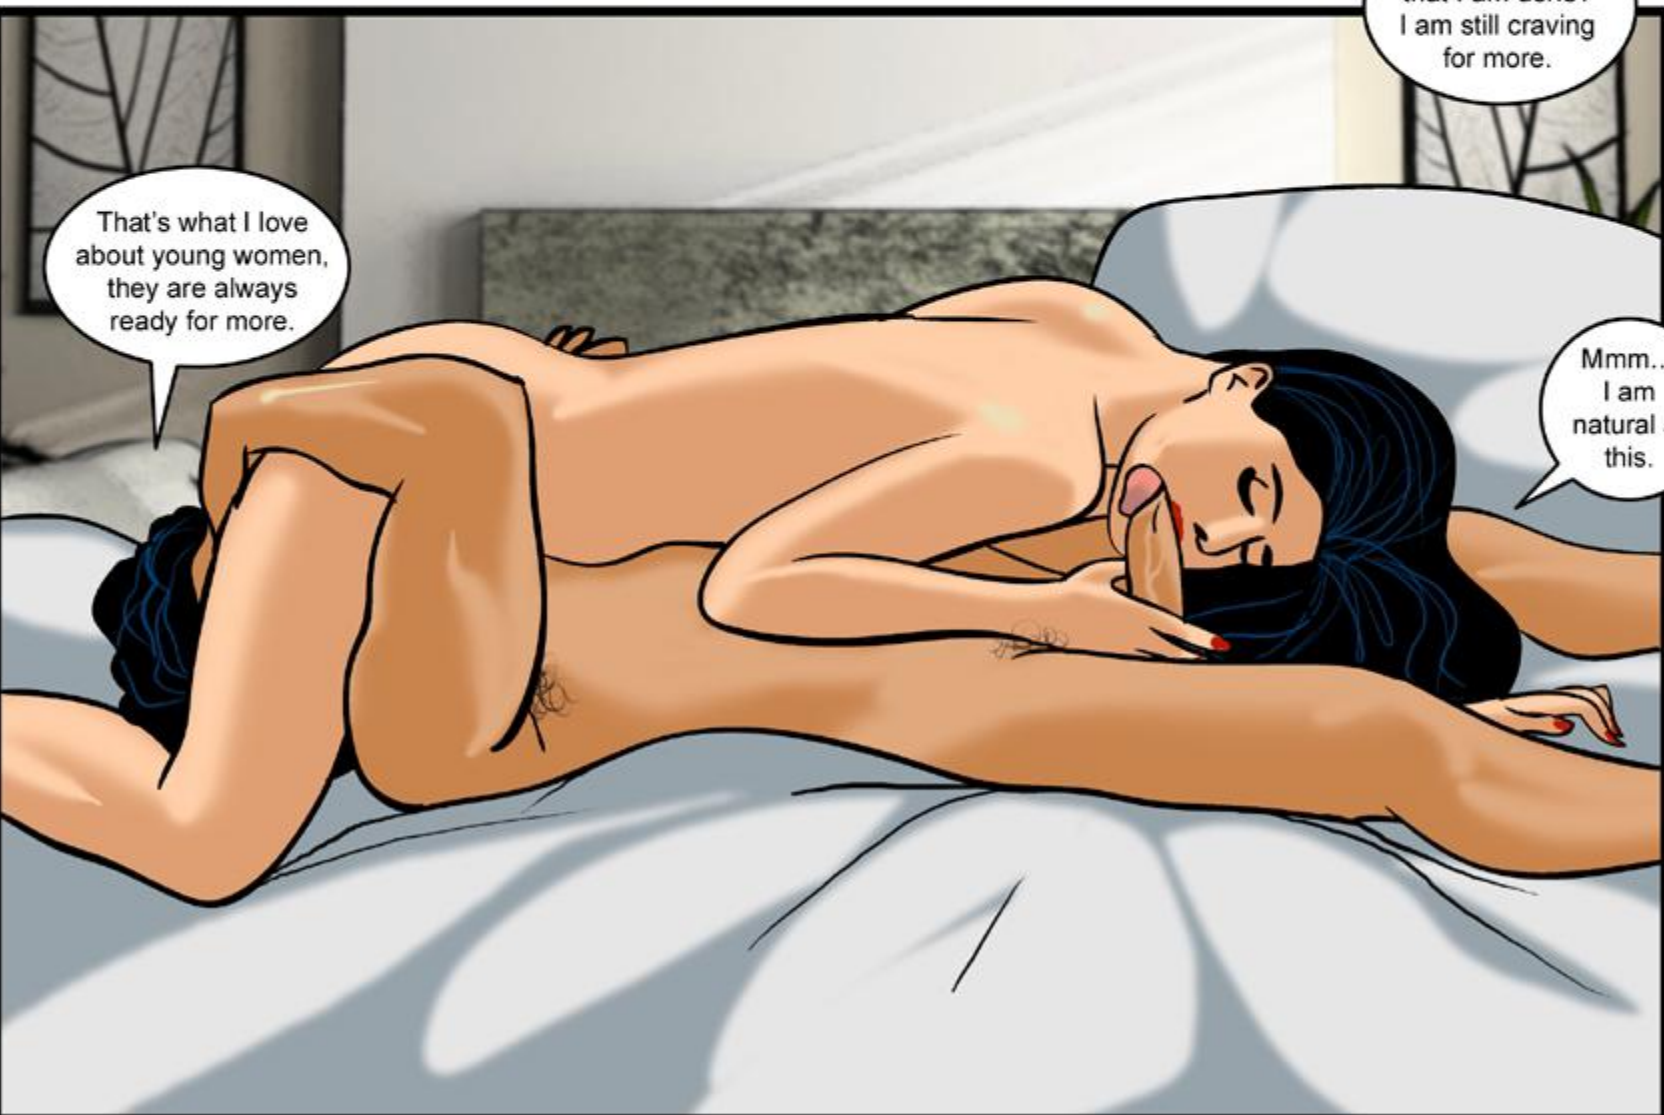

Come on. This is far from getting over. Are you exhausted already? Let's get ready for the next round.

Who says that I am done? I am still craving for more.

That's what I love about young women, they are always ready for more.

Mmm... I am natural at this.

I have moved on to this part of the town just to fulfill my sexual desires..

Hey you two. Stop now. You don't need to go to Veena memsaab's floor.

But why Saab? She asked me in the morning to collect clothes from her for cleaning.

Yes, he is right. I was there too.

It is Bade Sahib's order. He is in her room busy about some important matter. He doesn't want anyone to disturb them."

Ha ha. What a joke! As if we don't know what Bade sahib is doing with that young girl in her apartment?

Ahh he is a lucky man, buddy. He gets such sexy chicks coming to him to get fucked.

He doesn't have to pay anything. Rather she will pay him the rent!

That new girl in the complex is too hot, man! Bade sahib is real lucky get to fuck that slut...

I am extremely lucky to be fucking you Veena.

Ohh ... but it's same for me too.

Ahh ... But how is it lucky for you?

To get a landlord like you who fucks instead of charging me the advanced rent.

Any landlord would love to have a houseguest as you ...

Ahh... it feels great inside you.

Ahh... yeah, it's all my pleasure

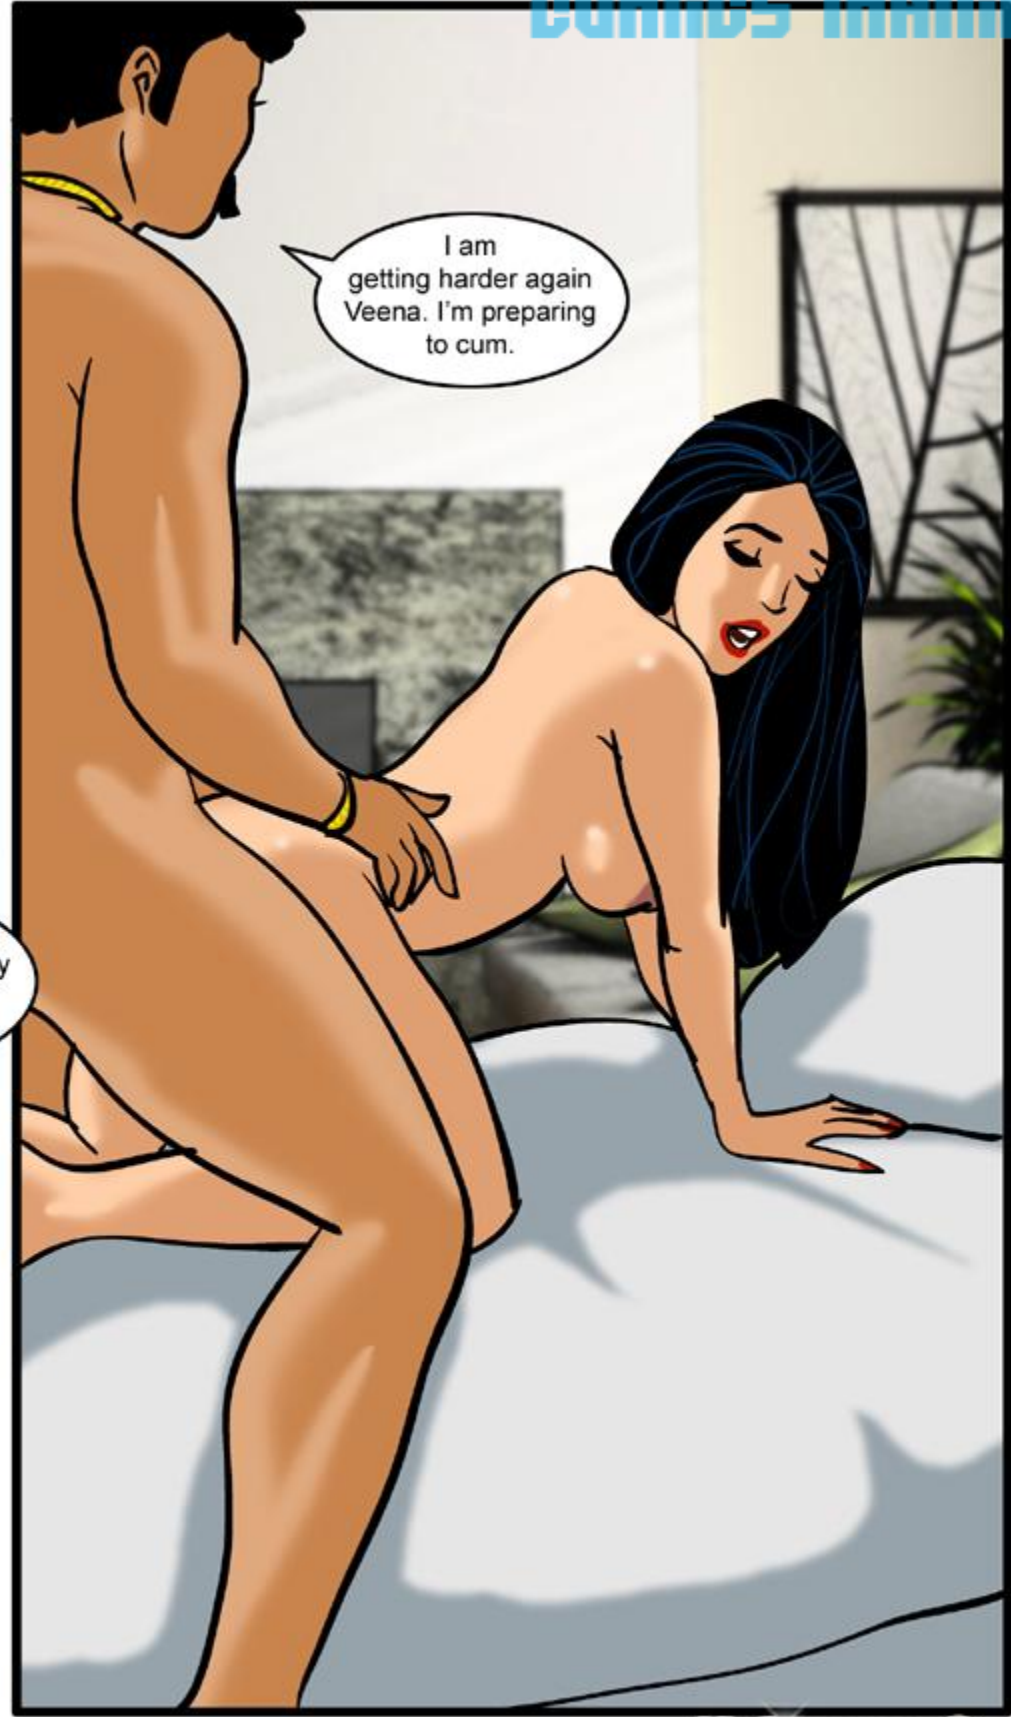

Umm Veena this might hurt a little, but don't shout too much.

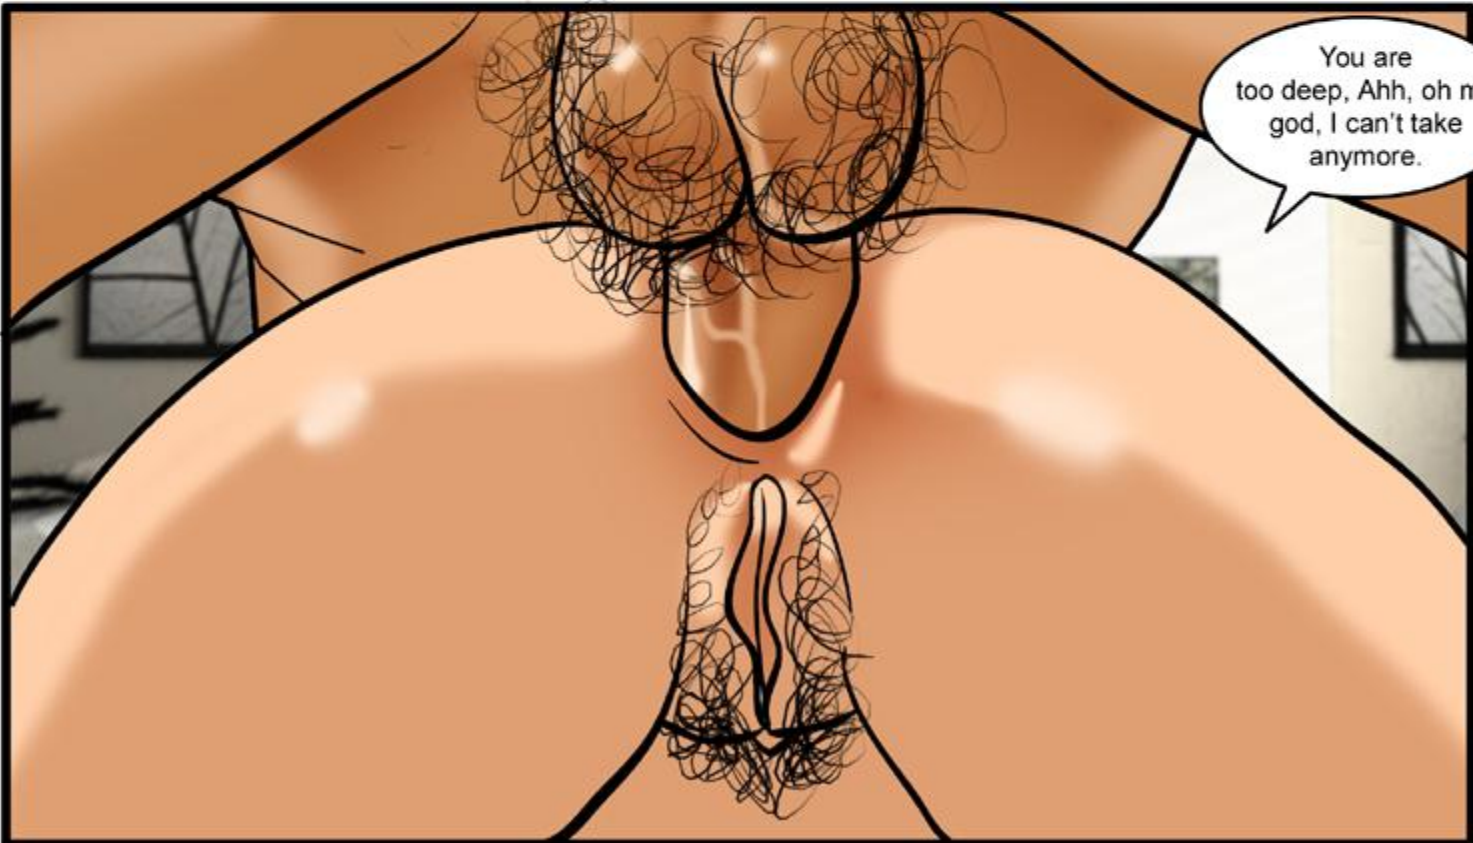

I am getting so turned on again. I think I'll cum again.

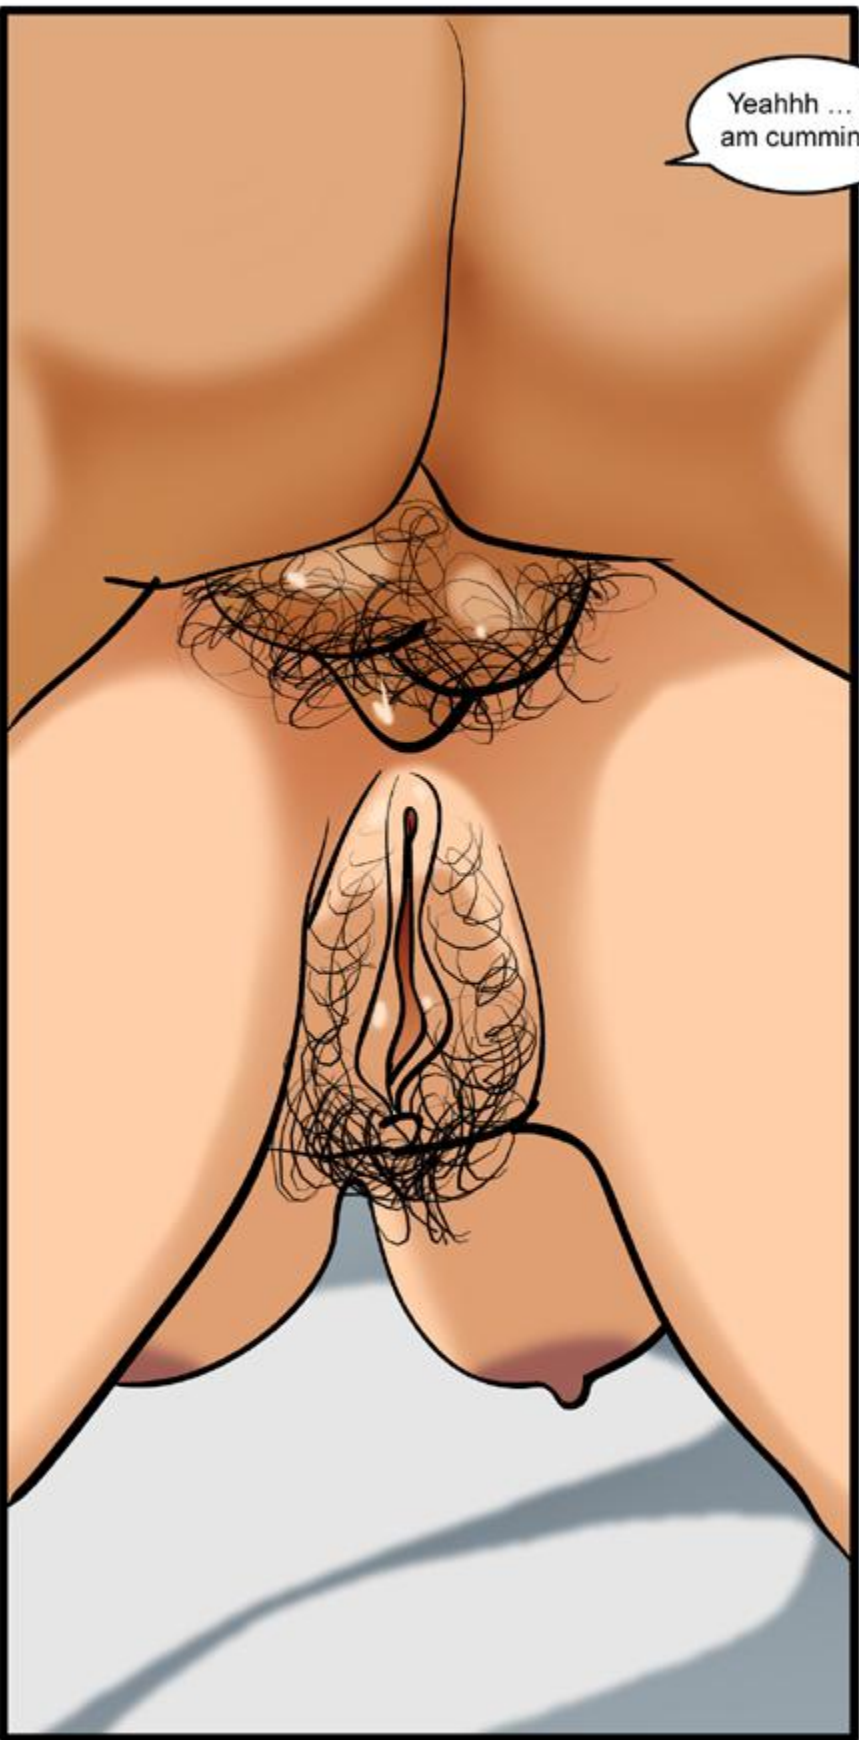

Me too Veena. I am ready for a second time.

I am getting harder again Veena. I'm preparing to cum.

You are too deep, Ahh, oh my god, I can't take anymore.

Yeahhh ... I am cumming

Please come in my mouth

Ah it's great. You have paid all your advance rents Veena with interests. Now your accounts are clear.

But remember, you have to pay rent every month. And I won't accept cash from you.

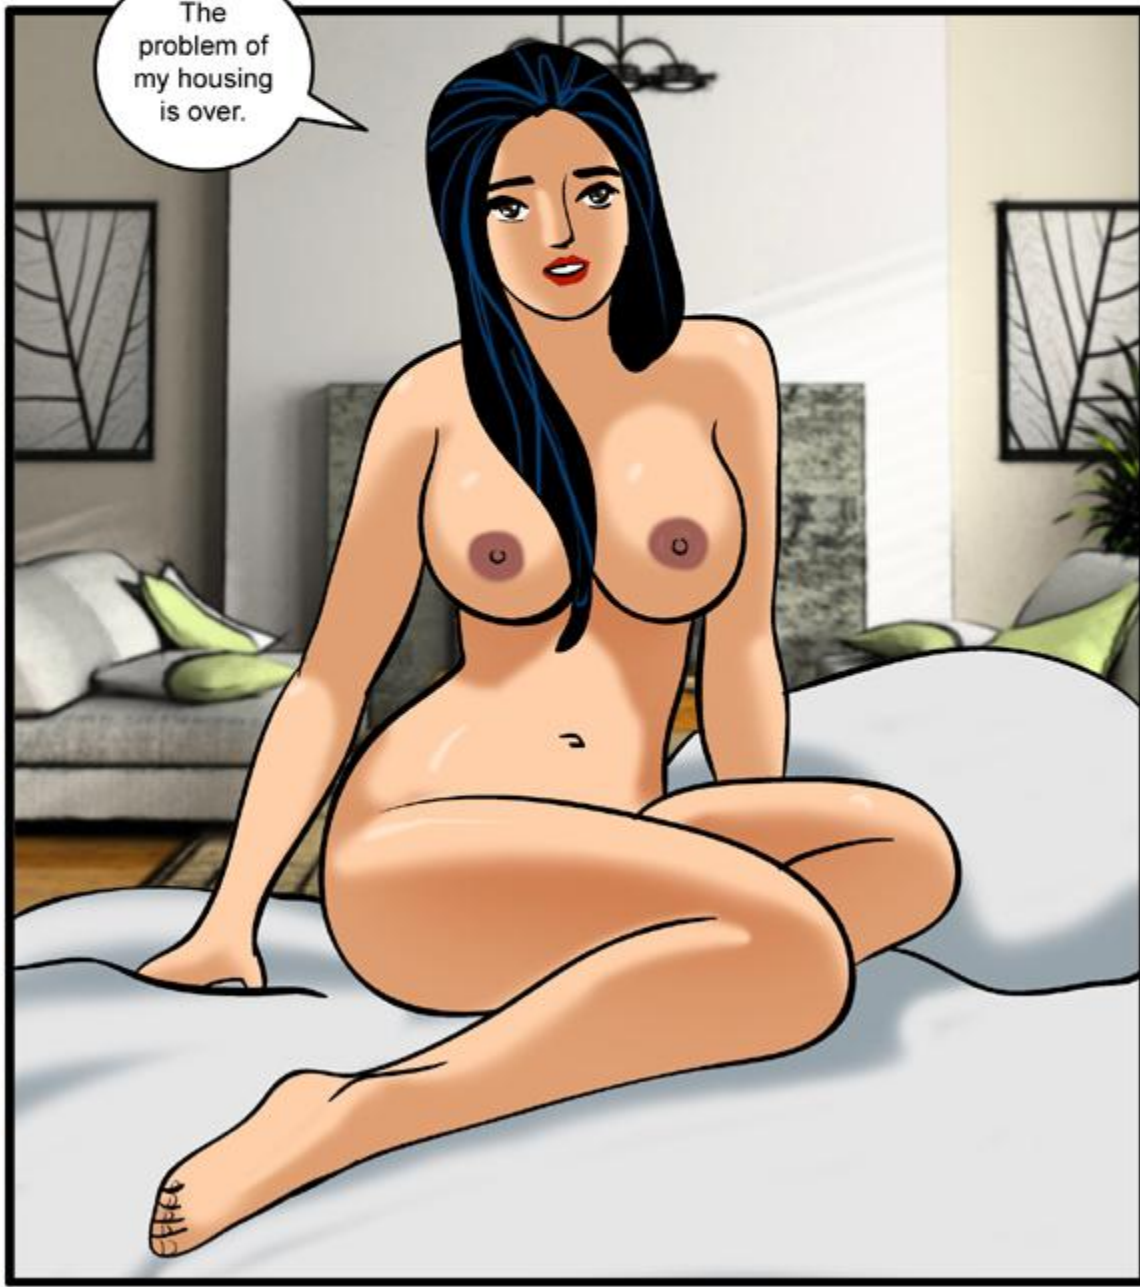

Only a hot fuck will do.

I'll try visit you whenever I wish. I hope you won't mind that.

If anything is required, just give me a call

The problem of my housing is over.

Time to get ready for my next adventure in town.
